What Good Is:

What Good Is Jesus? Marv Nelson,2016-01-29 When children are sold into slavery what good is Jesus When wretched disease takes a loved one's life what good is Jesus When marriages crumble and jobs disappoint what good is Jesus Many know of Jesus but few actually know Him The real entity of Jesus has been tainted by how His followers have portrayed His image in their lives The institution of religion has overtaken the beauty of relationship and many Christians are walking away with a bitter taste Faced with declining opportunities a war torn globe and seemingly insurmountable crises many millennials are asking the sincere question what good is Jesus Pastor Marv Nelson doesn't avoid tough questions instead he tackles issues head on with love and wisdom Examining sexuality politics racial tensions suffering and more Nelson addresses these problems through a relational rather than religious approach and shows us just what good Jesus really is

Desiring the Good Katja Maria Vogt,2017-08-01 Desiring the Good defends a novel and distinctive approach in ethics that is inspired by ancient philosophy Ethics according to this approach starts from one question and its most immediate answer what is the good for human beings a well going human life Ethics thus conceived is broader than moral philosophy It includes a range of topics in psychology and metaphysics Plato's Philebus is the ancestor of this approach Its first premise defended in Book I of Aristotle's Nicomachean Ethics is that the final agential good is the good human life Though Aristotle introduces this premise while analyzing human activities it is absent from approaches in the theory of action that self identify as Aristotelian This absence Vogt argues is a deep and far reaching mistake one that can be traced back to Elizabeth Anscombe's influential proposals And yet the book is Anscombian in spirit It engages with ancient texts in order to contribute to philosophy today and it takes questions about the human mind to be prior to and relevant to substantive normative matters In this spirit Desiring the Good puts forward a new version of the Guise of the Good namely that desire to have one's life go well shapes and sustains mid and small scale motivations A theory of good human lives it is argued must make room for a plurality of good lives Along these lines the book lays out a non relativist version of Protagoras's Measure Doctrine and defends a new kind of realism about good human lives
