When Life Doesn't Matter Elizabeth C. K. Devington, 2026-01-24 This book is about the silent violence inflicted on women The kind that leaves no visible bruises only a depleted nervous system muted desires and a slowly disappearing sense of self It speaks about spaces where women are expected to endure adapt and remain quiet Where silence becomes survival Where abuse does not shout it demands When *When Life Doesn't Matter* does not comfort soften or offer easy solutions It names what too many women have carried alone for too long control disguised as care shame turned inward fear left unspoken and emotional erosion that happens quietly day by day This book is for women who learned to stay silent who were strong enough to survive but not allowed to be whole and who finally asked themselves is this really the price of being a woman This is not a story It is recognition And once recognition exists silence is no longer neutral **American Stationer and Office**
