Fisher, 2011-01-15 Site of the world s busiest and most lucrative harbor throughout the first half of the twentieth century the Port of New York was also the historic preserve of Irish American gangsters politicians longshoremen s union leaders and powerful Roman Catholic pastors This is the demimonde depicted to stunning effect in Elia Kazan s *On the Waterfront* 1954 and into which James T Fisher takes readers in this remarkable and engaging historical account of the classic film s backstory Fisher introduces readers to the real Father Pete Barry featured in *On the Waterfront* John M Pete Corridan a crusading priest committed to winning union democracy and social justice for the port s dockworkers and their families A Jesuit labor school instructor not a parish priest Corridan was on but not of Manhattan s West Side Irish waterfront His ferocious advocacy was resisted by the very men he sought to rescue from the violence and criminality that rendered the port a jungle an outlaw frontier in the words of investigative reporter Malcolm Johnson Driven off the waterfront Corridan forged creative and spiritual alliances with men like Johnson and Budd Schulberg the screenwriter who worked with Corridan for five years to turn Johnson s Pulitzer Prize winning 1948 newspaper expos into a movie Fisher s detailed account of the waterfront priest s central role in the film s creation challenges standard views of the film as a post

facto justification for Kazan and Schulberg's testimony as ex communists before the House Committee on Un American Activities On the Irish Waterfront is also a detailed social history of the New York New Jersey waterfront from the rise of Irish American entrepreneurs and political bosses during the World War I era to the mid 1950s when the emergence of a revolutionary new mode of cargo shipping signaled a radical reorganization of the port This book explores the conflicts experienced and accommodations made by an insular Irish Catholic community forced to adapt its economic political and religious lives to powerful forces of change both local and global in scope Triumph over Containment Robert P. Kolker,2021-10-15 The long 1950s which extend back to the early postwar period and forward into the early 1960s were a period of containment culture in America as the media worked to reinforce traditional family values and suspected communist sympathizers were blacklisted from the entertainment industry Yet some brave filmmakers and actors still challenged the status quo to produce indelible and imaginative work that delivered uncomfortable truths to Cold War audiences Triumph Over Containment offers an uncompromising look at some of the era's greatest films and directors from household names like Alfred Hitchcock and Stanley Kubrick to lesser known iconoclasts like Samuel Fuller and Ida Lupino Taking in everything from The Thing from Another World 1951 to Dr Strangelove or How I Learned to Stop Worrying and Love the Bomb 1964 acclaimed film scholar Robert P Kolker scours a variety of different genres to find pockets of resistance to the repressive and oppressive norms of Cold War culture He devotes special attention to two quintessential 1950s genres the melodrama and the science fiction film that might seem like polar opposites but each offered pointed responses to containment culture This book takes a fresh look at such directors as Nicholas Ray John Ford and Orson Welles while giving readers a new appreciation for the depth and artistry of 1950s Hollywood films **"You Must Remember This--"** Mark White,1983 You Must Remember This, 1947 Betsy Dexter,1995-01-01 *New York Supreme Court , **Congressional Record*** United States.
