## Young Visitors:

*The Young Visitors Or, Mr. Salteena's Plan* Daisy Ashford, 2013-04-30 The owner of the copyright guarantees that *The Young Visitors* is the unaided effort in fiction of an authoress of nine years Effort however is an absurd word to use as you may see by studying the triumphant countenance of the child herself which is here reproduced as frontispiece to her sublime work This is no portrait of a writer who had to burn the oil at midnight indeed there is documentary evidence that she was hauled off to bed every evening at six it has an air of careless power there is a complacency about it that by the severe might perhaps be called smugness It needed no effort for that face to knock off a masterpiece It probably represents precisely how she looked when she finished a chapter When she was actually at work I think the expression was more solemn with the tongue firmly clenched between the teeth an unholy rapture showing as she drew near her love chapter Fellow craftsmen will see that she is looking forward to this chapter all the time [The Young Visitors](#) Daisy Ashford, 1919 **The Young Visitors** Daisy Daisy Ashford, 2017-09-20 *The Young Visitors* or *Mister Salteena's Plan* is a 1919 novel by Daisy Ashford Ashford wrote the novel at the age of nine in 1890 in an exercise book Full of spelling mistakes each chapter was also written as a single paragraph Many years later in 1917 and aged 36 Ashford rediscovered her manuscript languishing in a drawer and lent it to Margaret Mackenzie a friend who was recovering from influenza It passed through several other hands before arriving with Frank Swinnerton a novelist who was also a reader for the publishing house of Chatto and Windus Largely due to Swinnerton's enthusiasm for this piece of juvenilia the book was published almost exactly as it had been written J M Barrie the creator of *Peter Pan* agreed to write a preface and the book became a huge success The book was so successful that it was reprinted 18 times in its first year alone After its publication untrue rumours soon started that the book was in fact an elaborate literary hoax and that it had been written by J M Barrie himself These rumours persisted for years [The Young Visitors](#) Daisy Ashford, 1951 The love story of naively sophisticated Ethel handsome wealthy Bernard and poor Mr Salteena the disappointed suitor told in the combination of childish and adult viewpoints creates a satire of romance *The Young Visitors* Daisy Ashford, 2014-08-07 This Is A New Release Of The Original 1919 Edition **The Young Visitors** Daisy Ashford, 2014-08-07 This Is A New Release Of The Original 1919 Edition [The Young Visitors, Or Mr. Salteenas Plan](#) Daisy Ashford, 2017-08-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important

**The Bookman** ,1921 *The Precocious Child in Victorian Literature and Culture* Roisín Laing,2024-05-06 This book examines representations of precocity in Victorian textual culture canonical literature children s fiction scientific texts and writing by children to argue that precocity challenges the idea of progress It considers how practitioners of literature and science from Wordsworth to Freud represented human development and the way in which Darwin s non progressive model of evolution troubled the existing model of progression by stages from childhood inexperience to adult maturity and understanding Rois n Laing argues that the precocious child undermines the equation of growth with progress and thereby facilitates other ways of imagining both individual and species development The idea represented by the precocious child in Victorian culture that the adult is not necessarily an improvement on the child the human not necessarily an improvement on the ape still troubles us today *Littell's Living Age* ,1920 **The Living Age** ,1920 **Host Bibliographic Record for Boundwith Item Barcode 30112114734418 and Others** ,1920 *The Athenaeum* ,1920
