**The Younger Set** Robert William Chambers, 2020-09-28 Well I don't know retorted Austin Gerard irritably what everybody has heard but I suppose it's the usual garbled version made up of distorted fact and malicious gossip That's why I sent for you Sit down Gerald Erroll seated himself on the edge of the big polished table in Austin's private office one leg swinging an unlighted cigarette between his lips Austin Gerard his late guardian big florid with that peculiar blue eye which seems to characterise hasty temper stood by the window tossing up and catching the glittering gold piece souvenir of the directors meeting which he had just left What has happened he said is this Captain Selwyn is back in town sent up his card to me but they told him I was attending a directors meeting When the meeting was over I found his card and a message scribbled saying he'd recently landed and was going uptown to call on Nina She'll keep him there of course until I get home so I shall see him this evening Now before you meet him I want you to plainly understand the truth about this unfortunate affair and that's why I telephoned your gimlet-eyed friend Neergard just now to let you come around here for half an hour The boy nodded and drawing a gold matchbox from his waistcoat pocket lighted his cigarette Why the devil don't you smoke cigars growled Austin more to himself than to Gerald then pocketing the gold piece seated himself heavily in his big leather desk chair In the first place he said Captain Selwyn is my brother in law which wouldn't make an atom of difference to me in my judgment of what has happened if he had been at fault But the facts of the case are these He held up an impressive forefinger and laid it flat across the large ruddy palm of the other hand First of all he married a cat C a t cat Is that clear Gerald
