**Handbook of the Metaverse** Pan Hui, Peng Yuan Zhou, Lik-Hang Lee, Tristan Braud, 2026-01-08 The metaverse is sweeping the globe thanks to its fundamentally innovative concepts of physical virtual blended reality and years of industrial efforts on relevant hardware development. It is yet unclear what the metaverse is, what technologies it relies on, and what concerns the society should care about since it is such a huge ecosystem with nearly unlimited possibilities. The book aims to provide a comprehensive study on the metaverse including its development and ecosystem and detailed descriptions of multiple key technologies with their challenges and state-of-the-art solutions. Finally, it concludes with several important societal issues the metaverse may raise, including concerns and suggestions. The book targets at providing understandable introductions to varied aspects of the metaverse that may appear new to common audiences and deep insights into a number of key directions for related professionals. The purpose of the book is to help readers better understand the concept and current status of the metaverse while inspiring relevant readers or institutes to spot interesting and challenging topics to follow.

**The Strategic Evolution From Omnichannel to Metachannel Marketing** Teixeira, Sara, Oliveira, Zaila, 2026-02-13 In today's rapidly shifting digital landscape, the traditional boundaries of marketing are dissolving, giving rise to more integrated and intelligent approaches. While marketing once represented seamless connections across platforms to deliver a unified customer experience, these emerging technologies and consumer expectations are pushing the envelope further. Metachannel marketing is a transformative evolution that goes beyond channel integration to create adaptive AI ecosystems capable of anticipating and responding to customer needs in real time. This strategic shift marks a new era in marketing where data and personalization converge to redefine how brands engage with audiences across an increasingly complex digital environment. *The Strategic Evolution From Omnichannel to Metachannel Marketing* explores the progression of digital marketing and its shift to metachannel. This book examines the convergence of physical and digital realms, which is providing a new paradigm in which extreme personalization, interactivity, and multi-sensory experiences are considered indispensable for fostering meaningful connections between companies and their target audience. Covering topics such as marketing AI and metachannel, this book is an excellent resource for marketing professionals, brand managers, entrepreneurs, and academics.
