plan your lunches so you don't spend money on restaurant food during the week. It doesn't generally make a difference what you plan as long as you thought about it. The objective isn't to begin from zero for each and every single meal. There are a lot of reasons why I think meal planning and meal prepping rock, but I think they all fit into time, health, and money. I'm obviously no health expert. But here are my general ideas about why meal planning is healthier for you than not meal planning.

Remember what I said about time; also applies here. Everyone is different and everyone's needs are different. But when you plan ahead, you can make smart choices related to your personal health and fitness needs.
