Less Is Not Enough Miriam Meissner, 2026-03-19 Less Is Not Enough examines the rise of minimalist self help showing how it depoliticizes middle class frustrations with capitalist exploitation and proposes a cultural strategy to channel minimalist desires into a more radical postgrowth politics In the past decade minimalist self help has exploded from tidying guides to media detoxes which promise to help affluent middle classes navigate a world of excess too much clutter stress and distraction Here Miriam Meissner exposes the limits of minimalism in addressing both middle class overload and the

environmental crisis Through a critical analysis of self help books TV shows and online communities she argues that while minimalism is well intended it ultimately distracts from the root causes of the very problems it seeks to alleviate Trends like decluttering and mindfulness depoliticize middle class frustrations with the capitalist exploitation of labour attention and ecology for profit In an era where climate justice and class struggle are inseparable this book proposes an eco political strategy that refuses to pit middle class interests against the demands of a just green transition

Own Your Space Ava Brooks, 2025-09-17 Tired of fighting battles over messy bedrooms overflowing closets and endless stuff For parents of teens clutter often becomes more than a household mess it turns into daily arguments stress and resentment But what if decluttering could shift from a struggle into a teaching tool What if it could help teens take pride in their space practice responsibility and even boost their confidence *Own Your Space* is a practical and empowering guide that transforms decluttering into a collaborative family project Designed with both parents and teens in mind it offers hands on activities that go beyond cleaning helping young people learn ownership decision making and respect for their environment Inside you'll discover Step by step decluttering projects teens can do with minimal pushback **Engagement strategies** to make organizing less of a chore and more of a challenge **Mindset tools** to teach responsibility accountability and gratitude **Room by room plans** that give teens control of their spaces **Conversation tips** to reduce tension and build teamwork With this book decluttering becomes more than cleaning it becomes a pathway to

independence maturity and peace at home Less mess More growth Stronger bonds **The Calm Home OS - Your Modular Guide to Serene Spaces** Douglas Tonks,2026-02-15 The Calm Home OS Your Modular Guide to Serene Spaces grew from a belief I've held for years calm isn't something you stumble into it's something you design Just like a computer has an operating system that governs how everything runs your home has one too an invisible set of habits layouts and sensory cues that shape how you feel the moment you walk through the door This book helps you rewrite that system with intention clarity and ease I wrote this guide for anyone who craves a quieter more grounded living space but doesn't know where to begin You don't need a renovation budget or a minimalist personality What you need is a modular approach small adaptable components you can rearrange as your life shifts Each chapter shows you how to build those modules light colour sound storage rituals and the subtle environmental signals that support rest focus and emotional steadiness You'll explore how to create rooms that work with your nervous system rather than against it how to design routines that reduce friction and how to make your home feel like a partner in your wellbeing Expect practical steps reflective prompts and simple experiments you can try in a single afternoon The aim is not perfection but alignment spaces that feel like they're on your side Think of this book as a gentle operating system upgrade for your home and your mind One tweak at a time you'll build an environment that restores you supports you and quietly reminds you of who you want to be Douglas Tonks
