Soviet Far East:

The Soviet Far East Erich Thiel, 2024-04-12 *The Soviet Far East 1957* examines the Soviet economic and political development of the Russian Far East between Lake Baikal and the Pacific as it gained importance as the geographic base of Soviet power in the Far Eastern theatre of international politics and strategy **Siberia and the Soviet Far East** GEM Publishers, 2000-06-12 Today there remain relatively few areas of the planet Earth where man rarely takes a step casts an eye or disturbs the natural environment but most of Siberia is like that For the time being but not for long Siberia according to some accounts originally meant sleeping land A glance eastward toward the giant land mass beyond the Ural Mountains of Northern Asia will quickly convince you that a new day is dawning there You can see that Siberia is stirring Its slumber is ending The land is awakening There is movement Siberia has been overlooked for much too long Now it is time to look over Siberia **The Soviet Far East** Allan Rodgers, 2023-06-14 *The Soviet Far East 1990* examines the largest economic region in the Soviet Union the Far East The region is explored in all its geographical and economic complexity Chapters on the state of its development under Gorbachev and his programme of investment are supplemented by examinations of the history of its settlement analysis of its unique environment and the threats which economic growth might pose for it and of the region's vital strategic significance to the Soviet Union *The Soviet Far East* E. Stuart Kirby, 1971 An economic and political geography **Soviet Far Eastern Policy, 1931-1945** Harriet Lucy Moore, 1945 *Studies Soviet Union as Far Eastern power* Provides account of USSR's activities and policies in Far East from 1931 to 1945 Study is compiled almost entirely from Soviet sources Covers Manchurian crisis sale of Chinese Eastern Railway frontier and fisheries disputes Sino Japanese War Second World War *The Peoples of the Soviet Far East* Walter Kolarz, 1954 **Siberia and the Soviet Far East** Rodger Swearingen, 1987 Collection of essays on Siberia and its past present and future roles in the Soviet and global economies

RUSSIA'S FAR EAST (p) , In their introduction the authors bring the textiles to life by examining who made them how ideas travelled across the continent and the significance of pattern and symbolism In addition all the principal techniques are explained while brief commentaries highlight the design features Whether you are interested in graphic design or technical detail this inspiring book will be the first to open your eyes to a previously unexplored aspect of Africa **BOOK JACKET**

The Russian Far East Sue Davis, 2003 *The Russian Far East RFE* comprises one quarter of the Russian Federation It shares borders with China and North Korea and only several miles of water separate Sakhalin from Japan and Chukotka from Alaska It is however 5 700 miles and ten hours by plane from Moscow The RFE has more and closer economic relations with Asian neighbours than with Moscow and Western Russia and although poor and sparsely populated is highly militarized and rich in minerals diamonds gold oil tin and more This book provides a comprehensive introduction to the region covering contemporary history politics foreign policy economy and military issues It examines and compares each of the ten constituent provinces and discusses the possible secession of the RFE and whom it might choose to join and security issues

surrounding the large number of nuclear weapons in the region It should be of interest to students and researchers of Russian studies politics and economics among others *Rediscovering Russia in Asia* Stephen Kotkin, David Wolff, 2015-03-04 This work presents a trans Siberian expedition to rediscover the peoples cultures and riches of Russia s eastern frontiers It addresses such questions as who are the people of the region have they a distinct culture and does the area have a future as part of the Pacific Rim *The Russian Far East* John J. Stephan, 2022 Wedged between China Korea Japan and the United States the Russian Far East has for centuries been a meeting ground for Eurasian and American peoples and cultures Conventionally regarded as perimeter it is in fact a collage of overlapping borderlands with a distinct historical identity Based on a quarter century of research by a leading authority on the area this is a monumental survey of Pacific Siberia from prehistoric times to the present Drawing from political diplomatic economic geographical social and cultural evidence the book reveals that this vast rugged and supposedly insular land has harbored vibrantly cosmopolitan lifestyles For over a millennium Chinese culture found expression in Tungus Mongol and Korean polities Russian penetration in the seventeenth century eventually turned the region into a colony sustained by state subsidies foreign enterprise and a mosaic of Ukrainian Estonian Finnish German Chinese Korean and Japanese communities Tsarists and Soviet penal policies contributed to the diversity and volatility of Far Eastern society Regional aspirations articulated by Siberian intellectuals disingenuously institutionalized in a Far Eastern Republic 1920 22 survived lethal bouts of economic and demographic engineering to come to life again in the post Soviet era The Russian Far East today reverberates with autonomist rhetoric but if the region is no longer an appanage it is still far short of independence For the time being the robust tradition of cosmopolitanism is reinventing itself under the banner of capitalism Reexamining twentieth century history through a Far Eastern prism the book offers fresh and often provocative perspectives on imperial rivalries colonialism revolution civil war and utopianism gone awry in Northeast Asia *The Russian Far East* Sergeĭ Aleksandrovich Manezhev, 1993 **The Russian Far East** Susan F. Davis, 2003-08-29 This book is a comprehensive introduction to the contemporary Russian Far East RFE and offers an argument about federal relations and power in the state It is the only easily available single volume book to examine the RFE in such depth **Russia in the Far East** Leo Pasvolsky, 1922 *Politics and Economics in the Russian Far East* Tsuneo Akaha, 2002-09-11 *Politics and Economics in the Russian Far East* addresses the key issue of what the Russian Far East and its Northeast Asian neighbours can do to further close economic and co operative relationships The question of to what extent the state should intervene to stimulate economic growth in the Russian Far East is covered as are the options for a more laissez faire approach The possibilities for economic co operation with the more successful market economies of the region are discussed as are the problems and opportunities presented by the exploitation of Russia s vast natural resources This book will be essential reading for all those wishing to obtain a deeper understanding of the complexity of the issues involved in the development of co operative relationships between Russia and its Asia Pacific neighbours
