Soviet Perspective On The Strategic Defense Initiative:

The Soviet Perspective on the Strategic Defense Initiative Dmitriï Mikheev,1987 Fortress U.S.S.R. William R. Van Cleave,1986 P baggrund af en beskrivelse af det sovjetiske ballistiske missilforsvar samt informationerne om en stadig udvikling og udbygning af dette system rejser forfatteren sp rgsm let om hvorvidt det amerikanske SDI er hensigtsm ssigt og up to date **Strategic Defense** Keith B. Payne,1986 Reviews and assesses the Reagan Administration s so called Star Wars program or Strategic Defense Initiative SDI Includes an Appendix SDI and Public Opinion 25 Tables and 26 Figures

The Russian View of U.S. Strategy Jonathan Samuel Lockwood,2017-09-04 Soviet perceptions of U S strategy remained remarkably consistent from the post Stalin period through the collapse of communism in Eastern Europe and the Soviet Union itself The consistency of the Soviet tendency to engage in the mirror image fallacy in their analyses of U S doctrine and strategic intentions has profound implications for the future relationship of the U S and the now independent republics This authoritative volume analyzes the Soviet Russian perspectives of U S strategic evolution from the declaration of the massive retaliation doctrine of 1954 through the Soviet collapse of 1991 The Soviets considered the growth of their strategic nuclear arsenal as the main factor giving them political leverage over U S foreign policy and predicted that a defense policy based on strategic defense would be the most effective deterrent from a Soviet perspective Now the Russian military and political leadership places a high value on strategic nuclear forces in terms of political leverage and prestige Building upon a wide variety of international sources the Lockwoods offer a penetrating assessment of how the present Russian perspective will affect political relationships not only with the U S and the West but also among the independent republics This factor will become ever more critical as they vie for decentralized versus unified control of what was the Soviet nuclear arsenal under the shadow of the collapsing economies The authors also introduce a new theory concerning the future impact of ballistic missile defense on operational warfare in light of the U S experience in Operation Desert Storm The Russian View of U S Strategy provides a comprehensive historical context and an up to date appraisal of an uncertain and potentially volatile development in U S Russian relations It will be of interest to historians policymakers and military analysts

The Soviet Union And Ballistic Missile Defense Bruce Parrott,Helmut Sonnenfeldt,2020-01-09 Originally published in 1987 In the debate over strategic defense the Soviet dimension has not been adequately examined Dr Parrott s multifaceted discussion of the Soviet approach to ballistic missile defense BMD admirably fills that gap Based on an analysis of Soviet statements and Soviet weaponry the study surveys Soviet perceptions of the shifting relationship between the superpowers and the effect of BMD on that relationship The author then traces the evolution of Soviet policies toward ballistic missile defense and the introduction of weapons into space After exploring the internal budgetary debates that will affect future Soviet decisions on BMD and space systems the book outlines Soviet responses political as well as military to the Strategic Defense Initiative and concludes with recommendations for U S policy toward BMD and arms negotiations

Perspectives On Strategic Defense Steven W Guerrier, Wayne C Thompson, Barry M Blechman, George Rathjens, 2019-05-28 Bringing together proponents and opponents of the Strategic Defense Initiative this book includes original essays by leading experts on every aspect of the issue The collection provides a valuable introduction to the many complex questions involved in any serious consideration of the SDI The contributors explore such issues as the strategic impl

The Soviet Union and the Strategic Defense Initiative Benjamin S. Lambeth, 1986 This Note provides a background against which to evaluate possible Soviet alternatives for dealing with the Strategic Defense Initiative SDI in the decade ahead Without speculating about what the Soviets will ultimately do in response to SDI the Note 1 examines Moscow s statements on SDI to date 2 reviews the highlights of Soviet doctrine and programs related to strategic defense 3 considers the real concerns that may underlie the Kremlin s public posturing on SDI and 4 outlines the key political and strategic factors that will constrain the Soviets eventual response The author suggests that assuming SDI does lead to a deployable U S ballistic missile defense the Soviets will be driven to counter that threat within the limits of their economic and technical resources Forecasting the technical details of their response at this time however is complicated by uncertainty not only about Soviet concerns motivations and intentions but also about what the United States will eventually do with SDI Rand abstracts

Strategic Defenses and Soviet-American Relations Samuel F. Wells, Robert Litwak, 1987 Threat and Opportunity Karl William Uchrinscko, NAVAL POSTGRADUATE SCHOOL MONTEREY CA., Naval Postgraduate School (U.S.), 1986 The Soviet response to the Strategic Defense Initiative SDI during the period March 1983 through November 1985 provided indications of their view of the program both as a threat and as an opportunity to weaken NATO The SDI is seen not only as a threat to the physical security of the Soviet Union but as part of an effort by the United States to seize the strategic initiative by neutralizing the military component of Soviet strategy A major objective of that strategy is the political separation of Western Europe from the United States which the Soviets sought to facilitate by aggravating allied concern over the SDI s potential implications for European security and economic interests The Strategic Defence Initiative Mira Duric, 2017-07-05 Cover Half Title Dedication Title Page Copyright Page Table of Contents Acknowledgements Introduction 1 The Strategic Defence Initiative 2 The Soviet Reaction to the SDI 3 The Reykjavik Summit October 11 12 1986 4 US Soviet Relations after the Reykjavik Summit 5 Strategic Defence The Post Cold War and Post September 11 World Conclusion Selective Bibliography Index
