Itzkowitz Shiffrin, 2018-09-15 As a rising great power flexes its muscles on the political military scene it must examine how to manage its relationships with states suffering from decline and it has to do so in a careful and strategic manner In *Rising Titans Falling Giants* Joshua R Itzkowitz Shiffrin focuses on the policies that rising states adopt toward their declining competitors in response to declining states policies and what that means for the relationship between the two *Rising Titans Falling Giants* integrates disparate approaches to realism into a single theoretical framework provides new insight into the sources of cooperation and competition in international relations and offers a new empirical treatment of great power politics at the start and end of the Cold War Shiffrin challenges the existing historical interpretations of diplomatic history particularly in terms of the United States China relationship Whereas many analysts argue that these two nations are on a collision course Shiffrin declares instead that rising states often avoid antagonizing those in decline and highlights episodes that suggest the US China relationship may prove to be far less conflict prone than we might expect *Britain and the Revolutions in Eastern Europe, 1989* Richard Smith, 2019-08-05 This volume documents the UK Government's response to the unfolding social and political changes in Eastern Europe during 1989 The year 1989 saw momentous change in Europe It was the year in which Communist rule in Eastern Europe finally ended with mass demonstrations an end to one Party rule free elections and the opening of borders In Poland the independent trade union Solidarity went from being an illegal organisation to running the country Vaclav Havel went from being a jailed dissident to President of Czechoslovakia In October 1989 the German Democratic Republic marked the 40th anniversary of the Socialist state only to see that state collapse a month later following the opening of the Berlin Wall In December the Romanian leader Nicolae Ceau escu saw his near quarter century rule brought to an end in a matter of days This volume charts the events of an historic year in Bulgaria Czechoslovakia the GDR Hungary Poland and Romania and looks at British policy towards the Baltic States It contains reporting from British embassies on the rapidly changing political scene and documents attempts by the British Government to develop policy against the backdrop of unfolding revolution This book will be of interest to students of British politics Eastern European politics and International Relations *Department of Defense Appropriations for Fiscal Year 1992* United States. Congress. Senate. Committee on Appropriations. Subcommittee on Defense, 1991 *Handbook of Political Science Research on the USSR and Eastern Europe* Ray Taras, 1992-10-23 This critical history of and guide to Soviet studies aims to take stock of the achievements and shortcomings in Western research on the region's politics and to serve as a who's who of Western Sovietologists identifying many prominent political scientists from the former Communist states **The European Union's Eastern Neighbourhood Today** Dan Dungaciu, Valentin Naumescu, 2015-02-05 This book arrives at a very significant time throughout Europe Not only is the European Union currently facing a prolonged economic and social crisis with nascent political consequences such as the ascension of populist parties in the 2014 European elections but also its

Eastern neighbourhood is confronted with the growing hostility of an assertive Russia opposing any new advance of the West towards its frontiers Bringing together experts in fields such as international relations political science political sociology diplomacy security studies and European studies with robust academic and professional backgrounds and expertise with regard to the region this volume explores this significant window of opportunity and will undoubtedly appeal to a global audience The considerable diversity of approaches and styles here allows a multidimensional diagnosis and analysis of present day Eastern Europe This volume defines a series of major regional opportunities vulnerabilities and dilemmas and explores the complex perspectives of the new Eastern Europe located between the European Union and Russia under its current name of the EU s Eastern Neighbourhood along with the tensions and challenges of a possible second Cold War

Department of Defense Appropriations for Fiscal Year ... United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense,1992 The Creditworthiness of Eastern Europe in the 1980s Keith Crane,1985 This report develops various scenarios to analyze the hard currency debt problems of Poland Hungary and Romania It considers the effect of adjustment policies on 1 those countries struggles with their balance of payments 2 their ability to generate more rapid increases in output through increased hard currency exports and 3 their levels of military expenditure while there is so much pressure on their balance of payments It concludes that if Romania and Hungary manage to service their debts in the next few years they should be creditworthy borrowers by the end of the 1980s but that Poland has little prospect of restoring solvency even in the 1990s Output growth in all three countries will be constrained by their ability to finance hard currency imports and to increase hard currency exports Western credit policy is not likely to affect either the independence of these countries from the Soviet Union or their military expenditures *East European Alternatives* Elemér Hankiss,1990 This text asks whether Eastern European societies can escape from the grip of totalitarian domination and build up Western democratic systems The author describes recent events in Hungary and compares them with those in other East European countries before suggesting policies for the future **The International Relations of Eastern Europe** Robin Alison Remington,1978 Annotated bibliography and guide to information sources concerning international relations of Eastern Europe since 1945 covers eastern Europe as a region esp Historical background cold war nationalism foreign policy CMEA warsaw treaty organization etc as well as country specific sources and includes a list of basic books References
