Spain's Colonial Outpost:

Spain's Colonial Outpost John A. Schutz, 1985 **Columbus's Outpost Among the Taínos** Kathleen A. Deagan, José María Cruxent, 2008-10-01 In 1493 Christopher Columbus led a fleet of 17 ships and more than 1200 men to found a royal trading colony in America Columbus had high hopes for his settlement which he named La Isabela after the queen of Spain but just five years later it was in ruins It remains important however as the first site of European settlement in America and the first place of sustained interaction between Europeans and the indigenous Tainos Kathleen Deagan and Jose Maria Cruxent tell the story of this historic enterprise Drawing on their ten year archaeological investigation of the site of La Isabela along with research into Columbus era documents they contrast Spanish expectations of America with the actual events and living conditions at America s first European town Deagan and Cruxent argue that La Isabela failed not because Columbus was a poor planner but because his vision of America was grounded in European experience and could not be sustained in the face of the realities of American life Explaining that the original Spanish economic and social frameworks for colonization had to be altered in America in response to the American landscape and the non elite Spanish and Taino people who occupied it they shed light on larger questions of American colonialism and the development of Euro American cultural identity

Crip Colony Sony Coráñez Bolton, 2023-01-16 In Crip Colony Sony Cor ez Bolton examines the racial politics of disability mestizaje and sexuality in the Philippines Drawing on literature poetry colonial records political essays travel narratives and visual culture Cor ez Bolton traces how disability politics colluded with notions of Philippine mestizaje He demonstrates that Filipino mestizo writers in the late nineteenth and early twentieth centuries used mestizaje as a racial ideology of ability that marked Indigenous inhabitants of the Philippines as lacking in civilization and in need of uplift and rehabilitation Heteronormative able bodied and able minded mixed race Filipinos offered a model and path for assimilation into the US empire In this way mestizaje allowed for supposedly superior mixed race subjects to govern the archipelago in collusion with American imperialism By bringing disability studies together with studies of colonialism and queer of color critique Cor ez Bolton extends theorizations of mestizaje beyond the United States and Latin America while considering how Filipinx and Filipinx American thought fundamentally enhances understandings of the colonial body and the racial histories of disability

The Spanish Empire H. Micheal Tarver, Emily Slape, 2016-07-25 Through reference entries and primary documents this book surveys a wide range of topics related to the history of the Spanish Empire including past events and individuals as well as the Iberian kingdom s imperial legacy The Spanish Empire A Historical Encyclopedia provides students as well as anyone interested in Spain Latin America or empires in general the necessary materials to explore and better understand the centuries long empire of the Iberian kingdom The work is organized around eight themes to allow the reader the ability to explore each theme through an overview essay and several selected encyclopedic entries This two volume set includes some 180 entries that cover such topics as the caste system dynastic rivalries economics major political events and

players and wars of independence The entries provide students with essential information about the people things institutions places and events central to the history of the empire Many of the entries also include short sidebars that highlight key facts or present fascinating and relevant trivia Additional resources include an introductory overview chronology extended bibliography and extensive collection of primary source documents

Colonialism Melvin E. Page, 2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism s bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered

European Entry into the Pacific Dennis O. Flynn, Arturo Giráldez, 2017-09-08 World history conventionally ignores or underestimates the importance of Manila the Manila galleons and the Philippines as key stages in the development of trans Pacific contact and of the world economy Essays in this volume discuss Philippine Asian exchanges prior to the entry of Europeans and then look at European influences and the impact of Magellan s voyage and the emergence of Manila as one of global trade s crucial linchpins during four centuries Linkages between Latin America and China and Spanish Japanese competition for the Chinese marketplace are important topics Tensions and cooperation among Chinese Japanese Iberians Africans Christians Muslims and others on Philippine soil are also covered This volume suggests the need for thorough re evaluation of the Philippines central role in terms of both Pacific history and global history as perhaps the single most important stage in the traffic that linked China and Latin America

Filipino Heritage: The Spanish colonial period (17th ,1978 Filipino Heritage: The Spanish colonial period (17th Alfredo R. Roces, 1978

Father of All Louise Pubols, 2010-01-04 This deeply researched engagingly presented and immensely valuable book demolishes longstanding myths about Mexican California as a colorful custom bound world apart In place of this fantasy past Louise Pubols offers a history of the de la Guerras that reveals a family and a society caught up in yet not wholly overcome by the global economic and political developments of the first half of the nineteenth century Stephen Aron Professor of History at the University of California Los Angeles and Executive Director of the Institute for the Study of the American West at the Autry National Center The Father of All combines first rate historical analysis with in depth archival research Don Jos de la Guerra and his extended family are fascinating historical

personages and their encounters with other Californio elites provide a compelling story but Pubols takes us to a higher level of understanding by demonstrating the crucial role of extended family ties in the economic and political history of California during the Mexican Period Pubols provides a convincing argument that family ties kept the prevalent political unrest from breaking out into more violent civil conflict Dr Jarrell C Jackman Executive Director Santa Barbara Trust for Historic Preservation

Writing the American Past Mark M. Smith, 2009-03-09 Writing the American Past reproduces dozens of untranscribed handwritten documents offering students the opportunity to transcribe decipher and interpret primary sources Documents include diary entries from Massachusetts in the 1690s a woman detailing the Great Awakening an eighteenth century treaty with Native Americans a journal describing antebellum train travel and a letter by a slave Skillfully teaches students to engage with the raw material of pre 1877 US history the written document An introduction and headnotes to each document contextualize the sources and provide a foundation from which the student can explore the material

English Colonies in America ... John Andrew Doyle, 1882

Likeness and Landscape Dolores Ann Kilgo, 1994 Described by his contemporaries as Daguerre s most dedicated follower Thomas M Easterly did most of his work in the relative obscurity of St Louis This lavishly illustrated account of his twenty seven year career established him as a new master in the ranks of nineteenth century photographers It will be an essential addition to the libraries of scholars and collectors Easterly s subjects range far beyond the traditional daguerrean portrait Of his surviving inventory of over 600 plates in the collection of the Missouri Historical Society over 140 are views of St Louis his native New England and the Niagara Falls region of New York Three series of American Indian portraits constitute the earliest dated photographic record of Plains tribal members A series of studio portraits of ordinary people and celebrities demonstrate a remarkable mastery of
