Discernment - God's Inner Guidance to All Believers Susan Banks,2013-01-01 Is God Trying to Speak to you Most Christians do not understand the necessity in discerning a situation or message Without discernment many in the Body of Christ are being led astray There are four basic steps you can follow to discern any message or

messenger Means Motive Morals and the Message Using these four steps you can know in your heart whether God is speaking to you or not Discernment is actually a commandment from the Lord Himself We are told to know people by the fruit in their lives Either make the tree good and its fruit good or make the tree bad and its fruit bad for the tree is known by its fruit Matthew 12 33 Ultimately properly implemented discernment will bear good fruit for you your family and the kingdom of God Poorly implemented discernment or none at all can cause our relationship with Jesus to be hampered churches to divide and in the worst cases cause believers to fall from grace I believe that a deeper relationship with the Holy Spirit is needed for the times to come including His gift of discernment I pray that this book will help you to accomplish this
