The Divers Shadow:

Shadow Divers Robert Kurson, 2005-05-24 New York Times Bestseller In the tradition of Jon Krakauer's *Into Thin Air* and Sebastian Junger's *The Perfect Storm* comes a true tale of riveting adventure in which two weekend scuba divers risk everything to solve a great historical mystery and make history themselves For John Chatterton and Richie Kohler deep wreck diving was more than a sport Testing themselves against treacherous currents braving depths that induced hallucinatory effects navigating through wreckage as perilous as a minefield they pushed themselves to their limits and beyond brushing against death more than once in the rusting hulks of sunken ships But in the fall of 1991 not even these courageous divers were prepared for what they found 230 feet below the surface in the frigid Atlantic waters sixty miles off the coast of New Jersey a World War II German U boat its ruined interior a macabre wasteland of twisted metal tangled wires and human bones all buried under decades of accumulated sediment No identifying marks were visible on the submarine or the few artifacts brought to the surface No historian expert or government had a clue as to which U boat the men had found In fact the official records all agreed that there simply could not be a sunken U boat and crew at that location Over the next six years an elite team of divers embarked on a quest to solve the mystery Some of them would not live to see its end Chatterton and Kohler at first bitter rivals would be drawn into a friendship that deepened to an almost mystical sense of brotherhood with each other and with the drowned U boat sailors former enemies of their country As the men's marriages frayed under the pressure of a shared obsession their dives grew more daring and each realized that he was hunting more than the identities of a lost U boat and its nameless crew Author Robert Kurson's account of this quest is at once thrilling and emotionally complex and it is written with a vivid sense of what divers actually experience when they meet the dangers of the ocean's underworld The story of *Shadow Divers* often seems too amazing to be true but it all happened two hundred thirty feet down in the deep blue sea

Shadow Divers Robert Kurson, 2005 Recounts the 1991 discovery of a sunken German U boat by two recreational scuba divers tracing how they devoted the following six years to researching the identities of the submarine and its crew correcting historical texts and breaking new grounds in the world of diving along the way Reprint

Shadow Divers Robert Kurson, 2005-06-30 A gripping true story of one of the last mysteries of World War II comparisons with *THE PERFECT STORM* are not out of place The Sunday Times February 1945 The war is almost over and Britain and America rule the waves To enlist for a German U boat is suicidal But sixty young Nazi soldiers choose to enter the cramped underwater conditions of the U 869 for the most difficult mission of all to reach and then bomb the coast of America Several weeks later the boat barely has enough fuel to make it home and radio links with Germany are broken The commander Neuerberg must make a tough decision to carry on to America and risk death in the pursuit of glory or to admit defeat and return home Driven by pride patriotism and determination he decides to risk it June 1991 A group of deep sea divers hear about the wreck of a U boat 260 feet beneath the sea There are virtually no records of the Nazi submarine and an on location

investigation is extremely dangerous But twelve divers decide to take the risk Over the next six years they eventually piece together an incredible story In the process three of the divers die marriages collapse and history is made and Richie Kohler pushed its limits This is a beautifully written dramatic book about one of the greatest of human traits the resolve people find in moments of deepest peril Shadows David Russo,2003-09 Boy meets girl They fall in love only problem is the girl has company Follow the conflict against the dark forces Can love survive against the odds **Sunken Shadows** Kathleen Brooks,2019-05-14 As a rescue swimmer for the Coast Guard Wade Faulkner was used to unpredictable situations But an emergency call late one night turns his life upside down After finding a boat on fire he discovers a dead body and a visibly shaken woman in need of rescue Now he finds himself entangled in a murder mystery between two teams of treasure hunters out for the discovery of a lifetime and he s falling for the main suspect Darcy Delmar survived an explosion on her boat while racing to be the first to find a sunken treasure she believes to be worth more than most people can possibly imagine Now she is the lead suspect in the murder of a fellow treasure hunter Or is she simply the next victim As Wade and Darcy lose themselves to the passion of the hunt and a new love one thing becomes clear this is a treasure worth killing for *Ballads of Schiller.
