## **The Duke:**

*The Duke* Catherine Coulter,1995-11-01 One of Catherine Coulter's first novels lavishly rewritten The 1 New York Times bestselling author turned *The Generous Earl* into *The Duke* and fans swooned over the tale of romance and suspense set in 19th century Scotland Penderleigh Castle is the home of the Robertsons who have just been dealt a terrible blow Their new master already an English duke has just been named the Scottish Earl of Penderleigh Ian Carmichael Duke of Portmaine is proud aristocratic handsome as the devil's right hand and kinder than any grousing Robertson has a right to expect Brandy Robertson the old earl's granddaughter takes one look at the duke and her heart goes ballistic The problem is the duke is already engaged and if that isn't bad enough someone wants to kill him [\*The Duke's Children Complete\* Anthony Trollope,2020-10-22](#) He was alone in the world and there was no one of whom he could ask a question After the sudden death of his wife two years after he has left office as Prime Minister the Duke of Omnium must become deeply involved with his children for the first time They vex him enormously with school expulsions vast gambling debts and what he considers to be calamitous romantic attachments He tries to compel them to do what he wants but they are not so easy to manage Even when his eldest child and heir Lord Silverbridge makes him proud by embarking upon a political career the Duke grapples with heartache For Silverbridge becomes a Conservative rather than a Liberal flouting the family tradition The relationship between father and son is drawn with remarkable subtlety and the book as a whole becomes a piercing yet often humorous exploration of change how both the young and the old resist tolerate or embrace it Trollope cut roughly 65 000 words at a vulnerable moment in his career to get the novel published but concluded rapidly that he had made a grievous error After a painstaking reconstruction by a team of researchers *The Duke's Children* the final book in Trollope's famed Palliser series can now be read the way he first intended It is a masterpiece of Victorian fiction ***The Duke's Children* Anthony Trollope,2022-09-16** In *The Duke's Children* Anthony Trollope deftly explores themes of family social obligation and the intricate dance of personal relationships within the context of Victorian society The novel follows the struggles of the Duke of Omnium as he seeks to guide his children through the complexities of love and duty reflecting Trollope's characteristic wit and keen social commentary With its layered character development and rich depiction of aristocratic life the narrative unveils the tensions between individual desires and societal expectations encapsulated in Trollope's signature style of detailed psychological insight and social realism Trollope a prominent Victorian novelist drew on his own experiences navigating the upper echelons of society emphasizing moral dilemmas and the weight of expectations His knowledge of parliamentary politics and social hierarchies informs the backdrop of this work as he crafts a narrative that critiques and satirizes the era's rigid class structures The themes of parental control and generational conflict resonate deeply illuminating the internal landscapes of his characters as they confront their destinies This novel is highly recommended for readers interested in the intersection of personal ambition and societal duty offering a revealing glimpse into the Victorian milieu

Trollope's masterful storytelling invites readers to contemplate the evolving nature of familial bonds and societal pressures making *The Duke's Children* an essential addition to the canon of classic literature

Across the vast ocean sailed Cassandra Trenton a free spirited American beauty left suddenly orphaned and alone Eager to claim her long lost heritage she was amazed at the formal elegance of Eastland the sumptuous English estate of her distant cousin the notorious Duke of Eastland Sought after at plays operas and balls by London's most fashionable ladies Henry remained a mystery to Cassandra Bewildered by his arrogant demeanor yet drawn to his panther like grace she came to sense the searingly painful memories that smoldered in the depths of his jade green eyes Wed because of a scandal they were enfolded in a fierce consuming joy free at last from the past's cruel grasp Then in a moment of blinding anguish Cassandra discovered the shocking treachery that lay at the heart of their love a love she had dreamed would triumph Perhaps love wasn't it all
