The Dime Novel Detective:

The Dime Novel Detective Gary Hoppenstand,1982 Provides reprints of the texts of 5 detective dime novels and lists of all the titles in the series published by the five publishers The Dime Novel Detective ... Wm. [old catalog heading] Organ,1910 **DIME NOVEL DETECTIVE** Wm [Old Catalog Heading] Organ,2016-08-25 *DIME NOVEL DETECTIVE* Wm [Old Catalog Heading] Organ,2016-08-25 **Dime Novels and the Roots of American Detective Fiction** P. Bedore,2013-11-07 This book reveals subversive representations of gender race and class in detective dime novels 1860 1915 arguing that inherent tensions between subversive and conservative impulses theorized as contamination and containment explain detective fiction s ongoing popular appeal to readers and to writers such as Twain and Faulkner **The Dime Novel Detective** William Organ,1910 **How to Be a Detective** Old King Brady,2018-01-15 The 1890s in New York where being a detective can get a young man killed Under the watchful eye of the legendary Old King Brady two of his trainees recall some of their earliest adventures in this collection of tales disguised as an instructional book for those that want to be detectives Shadowing Danger Disguises Fist fights Gun fights Gang wars It s all here and described in the breathless prose the dime novels were known for providing for decades Before comic books television radio and even motion pictures dime novels represented the state of the art for mass appeal pop culture entertainment Find out why The Dime Novel Detective Wm. Organ,2018-02-11 **The Dime Detectives** Ron Goulart,1988 Traces the history of detective fiction pulp magazines from their origins in the nineteenth century dime novels to their heyday in the 1920s and 1930s profiling many pulp writers who went on to achieve greater fame *The Dime Novel Companion* J Randolph Cox,2000-05-30 This encyclopedic guide to the American dime novel contains over 1 200 entries on serial publications major writers and editors publishers and major characters fiction genres themes and locales An introduction provides a brief history of the dime novel A discussion of dime novel scholarship includes a selected directory of libraries and museums with significant collections of dime novels An appendix contains a publishing chronology of the more than 300 serial publications and a selected bibliography suggests further reading This comprehensive reference will appeal to popular culture scholars and to dime novel collectors As an important research tool entries are cross referenced throughout An index is included The Beadle Collection of Dime Novels New York Public Library,1922 **Old Sleuth's Freaky Female Detectives** Garyn G. Roberts,Old Sleuth,1990 This collection provides a concentrated sampling of female detective stories from the Old Sleuth serials **An Introduction to the Detective Story** LeRoy Panek,1987 This book traces the origins of the detective story presents the literary and cultural forces that have influenced it follows its development and discusses some of the major authors who have contributed to its evolution and popularity Adapted from the author s Preface **Dashing Diamond Dick and Other Classic Dime Novels** Various,2007-06-26 A one of a kind compendium of popular fiction from a bygone era Dime novels as fundamentally American as baseball and jazz were an inexpensive and inexhaustible source of popular entertainment for

millions of Americans in the late nineteenth and early twentieth centuries The five novels in this unique anthology are classic examples of the form which encompassed Westerns early science fiction detective and mystery yarns and Revolutionary War historicals From the handsome gambler Dashing Diamond Dick and the daring inventor in Over the Andes with Frank Reade Jr in His New Air Ship to the mythic baseball player in Frank Merriwell s Finish here are some of the most valiant heroes and notorious rogues in the pantheon Read together these novels are fascinating time capsules from a young nation in love with its larger than life characters For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Age of Dimes and Pulps Jeremy Agnew,2018-07-25 From the dime novels of the Civil War era to the pulp magazines of the early 20th century to modern paperbacks lurid fiction has provided thrilling escapism for the masses Cranking out formulaic stories of melodrama crime and mild erotica often by uncredited authors focused more on volume than quality publishers realized high profits playing to low tastes Estimates put pulp magazine circulation in the 1930s at 30 million monthly This vast body of disposable literature has received little critical attention in large part because much of it has been lost the cheaply made books were either discarded after reading or soon disintegrated Covering the history of pulp literature from 1850 through 1960 the author describes how sensational tales filled a public need and flowered during the evolving social conditions of the Industrial Revolution

The Evolution of the Costumed Avenger Jess Nevins,2017-01-30 Using a broad array of historical and literary sources this book presents an unprecedented detailed history of the superhero and its development across the course of human history How has the concept of the superhero developed over time How has humanity s idealization of heroes with superhuman powers changed across millennia and what superhero themes remain constant Why does the idea of a superhero remain so powerful and relevant in the modern context when our real life technological capabilities arguably surpass the imagined superpowers of superheroes of the past The Evolution of the Costumed Avenger The 4 000 Year History of the Superhero is the first complete history of superheroes that thoroughly traces the development of superheroes from their beginning in 2100 B C E with the Epic of Gilgamesh to their fully entrenched status in modern pop culture and the comic book and graphic novel worlds The book documents how the two modern superhero archetypes the Costumed Avengers and the superhuman Supermen can be traced back more than two centuries turns a critical evaluative eye upon the post Superman history of the superhero and shows how modern superheroes were created and influenced by sources as various as Egyptian poems biblical heroes medieval epics Elizabethan urban legends Jacobean masques Gothic novels dime novels the Molly Maguires the Ku Klux Klan and pulp magazines This work serves undergraduate or graduate students writing papers professors or independent scholars and

anyone interested in learning about superheroes *The Cambridge History of the American Novel* Leonard Cassuto, Clare Virginia Eby, Benjamin Reiss, 2011-03-24 This ambitious literary history traces the American novel from its emergence in the late eighteenth century to its diverse incarnations in the multi ethnic multi media culture of the present day In a set of original essays by renowned scholars from all over the world the volume extends important critical debates and frames new ones Offering new views of American classics it also breaks new ground to show the role of popular genres such as science fiction and mystery novels in the creation of the literary tradition One of the original features of this book is the dialogue between the essays highlighting cross currents between authors and their works as well as across historical periods While offering a narrative of the development of the genre the History reflects the multiple methodologies that have informed readings of the American novel and will change the way scholars and readers think about American literary history

Mystery, Detective, and Espionage Magazines Michael L. Cook, 1983-12-28 Cook s accounts of periodicals are consistently informative clear and penetrating his sensitivity to much of what he discusses is at times positively uncanny Reference Books Bulletin The Stolen Brain, or, A Wonderful Crime Nick Carter, 2022-10-13 Excerpt There goes another chief That makes five so far There surely is something going on to night the young man at the window declared excitedly It was Patsy Garvan Nick Carter s second assistant and he who was addressed was the great New York detective himself The closest friends would have known neither of them however unless they had been in the secret for both were cleverly disguised Moreover the room in which they seemed to be so much at home was not one of those in Nick s handsome Madison Avenue residence in New York It was in fact a room in a house miles away from there to the northward in the Bronx section of the great city a short distance from the New York Zoological Park On the first of the month about ten days before a family which went by the name of Webb had moved in there The family consisted of three persons The father Charles Webb a grown son William and the latter s young wife Mildred Such at least was the understanding of the neighbors As a matter of fact Charles Webb was Nick Carter his son was better known as Patsy Garvan the famous detective s clever assistant and Mildred was Adelina Garvan Patsy s pretty Chilean Spanish wife whose woman s intuitions had materially assisted in solving more than one difficult problem in the mathematics of crime *Dime Detective* Randy Chandler, When barroom bouncer Joe Dall s ex wife is murdered he finds himself pressed into service as a novice private eye Something very dark and deadly lurks in the lush shadows of the sleepy Florida town and if he can t unmask the killer soon others close to Joe will die Working on a powerful client s dime Joe Dall s first case could be his last To find a wonderful example of hardboiled detective noir today you need not look any further than Randy Chandler s latest novel *Dime Detective* *Dime Detective* is both an homage and a love letter to the genre but in many ways an interesting and original departure Hellbound Times The new breed of retro authors isn t getting paid by the word and therefore isn t padding thin stories instead they re crafting their books with considerable care and quality and this novel is every bit a winner Chandler introduces PI Joe Dall in a slick atmospheric work

that captures the underbelly of the 1950s with a sharp eye for detail and a flair for the sinister The Deep South voodoo bad cops a depraved movie star and a glamorous gun toting sidekick all add their share of pulpy ambience in this first rate debut Booklist From Dot Barker a kind of big sister to Valentine Cooper and her shotgun Chandler s characters go beyond the stereotypical dames dolls and broads that filled the pulps for a cast of strong multidimensional and entertaining characters Readers can only hope to see them again in a sequel Foreword Magazine
