The Divine Breakthrough:

The Divine Breakthrough George Snelling, 1981-01-01 **What Is Self?** Bernadette Roberts, 2005-01-15 The renowned contemporary mystic and author of *The Experience of No Self* presents her philosophical treatise on the nature of Self and God As a Carmelite nun Bernadette Roberts pursued a life in union with God She wrote compellingly about her contemplative spiritual journey in her memoirs *The Experience of No Self* and *The Path of No Self* Now she builds on the wisdom she gained exploring the ultimate consciousness that transcends self and experience In *What Is Self* Ms Roberts explains her conceptions of the ego the self and the revelations of the contemplative life Deeply personal and profoundly spiritual this latest effort puts all of Bernadette s insights into clearer and sharper perspective as though her own journey has grown clearer with distance [30 Prayers of Divine Protection](#) Kynan Bridges, 2020-06-02 30 Revelatory Teachings and Prayers for Walking in Divine Protection and Victory There is no denying that we are living in what the Bible calls perilous times 2 Timothy 3 1 How do we navigate through these challenging days Is it possible to live in victory as a Christian when the world around us seems to be in crisis The answer is yes Even in the midst of difficulty and trouble God is faithful and His Word remains powerful We do not have to be fearful or anxious of any plague war or rumor of war because we are citizens of an unshakable kingdom In *30 Prayers of Divine Protection Supernatural Defense and Breakthrough in Times of Crisis* Dr Kynan Bridges shares revelatory teachings and prayers to enable you and your loved ones to walk in divine protection and victory no matter what the news media or society around you says about the state of the world He leads you in petitions and declarations that will thrust you into the realm of the supernatural in a fresh way including Prayer for deliverance Prayer for overcoming fear Prayer for financial breakthrough Prayer for freedom from depression Prayer for overcoming stress Prayer for healing The world says Crisis Pandemic Destruction But we must boldly proclaim that God s kingdom is advancing and His people are protected Prepare to receive spiritual downloads that will empower you to pray over your spheres of influence and release supernatural deliverance breakthrough and defense Curses will be broken strongholds will crumble and divine provision will be manifested As you apply the powerful truths in this book receive this declaration from Dr Kynan for you and your family Father I declare that Your peace power and protection are released over the homes and communities of Your people I declare that the shalom of God permeates the atmosphere I declare that the rarified air of heaven fills the very rooms Your people dwell in now I declare that nothing the enemy has planned for the people of God will be successful but that all You have planned for them will come to pass In the name of Jesus amen [Paths to Transcendence](#) Reza Shah-Kazemi, 2006-02-22 This groundbreaking book is the first to compare and illuminate the doctrine of the Transcendent Absolute and its implications both conceptually and experientially in the spiritual perspectives of three towering figures in the history of world religions Shankara Ibn Arabi and Meister Eckhart represent the metaphysical and mystical summits of Hinduism Islam and Christianity By focusing on the theme of transcendence often neglected in studies of religion and

Parrella, 1995 Tillich and the Abyss Sigridur

Gudmarsdottir, 2016-09-07 This book examines Paul Tillich s theological concept of the abyss by locating it within the context of current postmodern antifoundalist discussions and debates surrounding feminism gender and language Sigridur Gudmarsdottir develops these tropes into a constructive theology arguing that Tillich s idea of the abyss can serve as a necessary means of deconstructing the binaries between the theoretical and the practical in producing nihilistic relativism and the safe foundations of knowledge divine as well as human How does one search for a map and method through an abyss In his writings Tillich expressed the ambiguity and groundlessness of being the depth structure of the human condition and the reality of God as an abyss The more we gaze into this abyss the more we encounter the faults in our various foundations This book outlines how Tillich s concept of the abyss creates greater opportunities for complexity and liminality and opens up a space where life and death destruction and construction fecundity and horror womb and tomb can coincide The Soul as Virgin Wife Amy Hollywood, 2000-12-05 The Soul as Virgin Wife presents the first book length study to give a detailed account of the theological and mystical teachings written by women themselves especially by those known as beguines which

have been especially neglected Hollywood explicates the difference between the erotic and imagistic mysticism arguing that Mechthild Porete and Eckhart challenge the sexual ideologies prevalent in their culture and claim a union without distinction between the soul and the divine The beguines emphasis in the later Middle Ages on spiritual poverty has long been recognized as an important influence on subsequent German and Flemish mystical writers in particular the great German Dominican preacher and apophatic theologian Meister Eckhart In *The Soul as Virgin Wife* Amy Hollywood presents the first book length study to give a detailed textual account of these debts Through an analysis of Magdeburg s *The Flowing Light of the Godhead* Marguerite Porete s *Mirror of Simple Souls* and the Latin commentaries and vernacular sermons of Eckhart Hollywood uncovers the intricate web of influence and divergence between the beguinal spiritualities and Eckhart

Your Divine Breakthrough Seth Addai,2010-04-05 The word breakthrough means an act of overcoming or penetrating an obstacle this is the same as penetration of a barrier such as an enemy s defense But when it comes to the word divine it means supernatural and the word supernatural means that which goes beyond the law and power of nature The same way God is He can go beyond any law or power of nature So a divine breakthrough is a breakthrough that goes beyond human understanding

Durr,Stanley Diggs,2010-03-12 All of us engaged in Christian works are constantly aware of the fact that we have to do battle with super natural forces and powers in the spirit realm It is perfectly obvious to all of us in spiritual warfare that people can be possessed by demons harassed by them and controlled by them but Jesus has given us the power to cast them out In the ministry of deliverance it takes one that is prepared by God to operate in this ministry but you must first be delivered from every thing in your life before you can help others This ministry calls for people that are real with God and living a life totally committed to God We pray as you read study and dissect this book using the bible as your guide you ll see the importance of being delivered and staying delivered Jesus would like it that way **21**
