the benefit of the church But for many people the Psalms contents are mysterious because they no longer have a place of
prominence in the church s worship Author J V Fesko hopes to awaken the church to the majesty beauty and splendor of the
Psalms through a devotional exploration of Psalms 1 8 a grand Christ hymn in which David as the suffering king prefigures
the king of kings Jesus Christ To encourage readers to come to a greater appreciation for the Psalms the author includes with
each chapter questions for further reflection and study and a metrical version of each psalm He also recommends Internet

Unfortunately psalm singing no longer plays an integral part of worship in most evangelical churches In this book thirteen
well respected scholars urge the church to rediscover the treasure of the Psalms as they examine the history of psalm singing
