Intimacy and Anticipation in the Devotional Portrait
Diptych Jessica Elizabeth Buskirk,2008 **Artists in Trouble** Aram Saroyan,2001 This collection of fourteen stories describes the various angles acute and obtuse at which certain individual artists mainly aging actors and blocked and balky screenwriters stand in relation to Hollywood s money magnet My Literary Life one of the two novellas that anchor this collection describes the dual life of Jamie Read a Manhattan novelist who has compromised his self image and his literary standing by adapting his serious first novel Sometimes a Moron into the screenplay for a big budget popcorn comedy Beverly Hills Moron It and the twelve short stories gathered here each offer a satirical glimpse into the lives of Hollywood agents actors hacks and flaks In contrast the other novella Love Scenes is a fine slice of domestic realism a portrait of a divorced fortyish actor named Wesley Sender a supporting player never a star the small roles now coming smaller and farther apart When at last and unexpectedly he lands a major part the romantic lead in an indie feature he plumbs his past for the bittersweet moments that he must draw on for inspiration a parade of sexy dramatic sad and mundane vignettes with his ex wife his latest girlfriend and girls and women he has only fantasized about loving including the leading lady in the film he s now shooting In the end Saroyan writes Artists in Trouble is not only about Hollywood but also about creative persons everywhere as they weather the middle of life s journey These are stories about the generations mentor and pupil older self

and younger self parent and child and the way the world is in the dark when we discover we are lost **Starting Out in the Sixties** Aram Saroyan,2001 Friends in the World Aram Saroyan,1992 Coming of age during the sixties gave Aram Saroyan a heightened sense of being a witness Family and friends help Saroyan on a journey at once personal and historical as he tells of becoming a writer during an extraordinary time Back cover **New York** ,1985-07 **Photo-era** ,1918

Day & Night Aram Saroyan,1998 *Rancho Mirage* Aram Saroyan,1993 The crime at the heart of Rancho Mirage the murder of wealthy businessman Robert Sand at an exclusive residential country club near Palm Springs is a study in complexity and moral ambiguity that cuts to the quick of fin de siecle America The murder the investigation that followed it an investigation complicated by a bizarre series of reported rapes and abductions of the beautiful Mrs Sand and the eventual trial of Mrs Sand for murder make up one of the strangest and most telling true crime stories ever written Andrea Claire was a single mother who had raised two boys and become a highly paid international call girl by the time she met the 68 year old Robert Sand Although she was portrayed as a money hungry sociopath by the prosecuting attorney there is considerable evidence that she was a borderline and perhaps a multiple personality someone who under conditions of extreme stress can cross over into a psychotic state in which reality and fantasy as well as right and wrong can t be distinguished Andrea Claire understood that her marriage to Robert Sand would not be an ordinary one and that she would be expected to comply with his sexual demands The extent of those demands that she was in essence a sexual slave turned out to be more than she had bargained for A battered woman from the time of her first marriage at 15 to a man who had raped her she married Sand believing she would at last achieve a secure lifestyle that would allow her to give up prostitution a profession she had taken up because she couldn t hold a regular job At what point does sex stop being sex and become an act of power What happens if a man s every wish is a woman s command Most men can understand Robert Sand what makes him unique is that he was blessed and cursed with the resources and the will to live out his unbridled fantasies A widower in his fifties named Joe Mims who married Andrea Sand the day after she was indicted for murder brings the story its strangest twist yet and provides it with a climax that almost defies the imagination Nothing is quite what it seems in Rancho Mirage BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Eugene O'Neill Newsletter* ,1985
