Trojan Hearse:

The Trojan Hearse. [read by Gordon Griffin]. Brian Callison,1998 **The Trojan Hearse** Brian Callison,1990 **The Trojan Hearse** Richard S. Prather,2014-04-01 A pop star s death puts Los Angeles PI Shell Scott on the hit list in the mystery series with more than 40 million copies in print With a national election going on Shell Scott s timing might have been less than perfect Perhaps he did prevent the victory for the shoo in candidate but a lot of strange things were happening There was Polly Plank whom he encountered in her psychiatrist s office in her birthday suit What about the American singing idol Johnny Tray who turned up dead And of course Joe Rice leader of the West s underworld who wanted Shell under the world too six feet under *The Trojan Hearse* is the 28th book in the Shell Scott Mysteries but you may enjoy reading the series in any order **The Trojan Hearse** Clare Curzon,1985 **The Trojan Hearse** J. Brian Heywood,2003 An enthralling work of fiction or is it This is a book that raises a multitude of awkward questions and provides some uncomfortably plausible answers In 1943 a very gifted man with a deep hatred of everything British comes to an important decision If conventional armed forces cannot conquer this blot on the face of Europe then we must learn from the ancient Greek legend of the Trojan horse and destroy it from within its own borders Even as World War II was ending this man and his disciples were infiltrating Britain and with extraordinary ability and vision began to change its economy and culture Their skill in the now commonly used misinformation techniques can be taken from the fact that their ability to manipulate the media was unsurpassed and yet the media owners and operators were only vaguely aware of their existence This is an incredible story of hatred and love of Britain as a nation state It is the story of a foot soldier in a new type of war a war waged in secret over many years and with incalculable effect This young man is one of many trained since his pre teen years to damage the British economy and way of life through the use of misinformation techniques As he struggles to fulfil the destiny that others have intended for him he begins to question the certainties he has been given and finally to come to a momentous conclusion His true destiny lies elsewhere In recent times whenever British people of mature years get together in groups the conversation invariably turns at some stage to the depressing changes that have taken place in the country since World War II In particular they ask each other why British governments never follow the wishes of the majority on key issues like law and order our relationship with Europe and preventing dangerous terrorists from setting up their operations in Britain The typical reaction of those who have read this is If there is a better explanation for the current situation in Britain then I have not yet heard of it Trojan Hearse Charles Vella,2013-10 Who is the mysterious doctor and what is his relationship to the infamous Al Haq And what does Al Haq the most wanted man on the Americans most wanted list of terrorists want with the grandson of Tommy founder and spiritual leader of Tommy s Gridiron Gospel Mission Bible College and Christian Theme Park When Kenny Hangleider is lost to a mob storming the American Embassy these are the questions that super spy J Madison Bilby sets out to answer Bilby is relentless in his quest to save Tommy s grandson make the world

safe against terrorism and to walk away with one of the suitcases full of money that Oskar Kisse regularly sends to the Middle East in his quest to infiltrate Al Haq s network Kisse the creative genius behind the President s Tsar Tsar Andy Anderson is the administration s inside man fighting the War on Terror With his assistant Lutheran Crapper descendent of Thomas Crapper inventor of the flush toilet Kisse sends Bilby out to thwart Al Haq and the doctor Otto Ruhle new to the administration is determined to undermine Kisse and become the administration s point person against Al Haq He seizes control of Operation Trojan Hearse The spell check function on the code name generator will be fixed before you know it and turns Lutheran into a ticking time bomb by informing him that Thomas Crapper did not really invent the flush toilet The climax comes to a head at the funeral of the beloved former president being held at the Gridiron Gospel Church s drive in chapel Will Tommy and his chief of security Fender Bender save Tommy s grandson Will Ruhle triumph over Kisse Will Bilby escape with the suitcase There s only one way to find out
