

U S S A

William Isaac Thomas (ed)

U S S A:

USSA Book 1 Tom De Haven,2013-07-10 It happened without warning A media blackout a military coup and suddenly the U S A became the U S S A the United Secure States of America Whatever they called it it was still a police state Overnight rock music was banned movies were censored and outspoken teachers began to vanish Soon any person who dared question the new authorities was in danger as well Eddie Ludlow was just a regular high school student in a small Ohio town but he know that somebody had to stand up to the new government before America was lost He also knew there had to be others like him A small secret band of rebels was born They took the same name the new authorities had given America and made it their own A brave new series of America s freedom fighters of tomorrow **USSA 2020** James E. Couch,2002-07-31 After the Republicans win the presidency in November 2000 a series of events precludes their taking over the White House In the wake of two nuclear attacks on the United State the country is vaulted into chaos President Dick Atherton continues in office and leads the nation to a new Constitution and the birth of the United Socialist States of America The USSA s first twenty years are tumultuous and greatly change the lives of all Americans **Ussa: the Past Is Another Country** Peter Wludyka,2010-07-20 USSA The Past is Another Country is about what might have been as seen through the eyes of 17 year old Alex Nurov son of a prominent Russian father and a beautiful American mother Growing up on a barrier island near Charleston S C Alex has to deal with his dual ancestry in a world in which Russian snobbery views Americans as lazy and parasitic Alexs unquestioning view of the world gradually unravels when he discovers something he calls The Book He soon realizes this is not one of the mysteries he loves to readit is the lunatic ravings of Father Piotr Babulieski who presents an entirely different and dangerous history of the Great Uprising that produced socialist America And who is this Jesus Christ A general USSA The Past is Another Country takes place in vividly described locales in coastal South Carolina and the mountains of North Carolina Near Charleston the Nurov family lives on a barrier island on which Alex and his beautiful enigmatic mother swim and share long walks On the islands northern end is a huge dunethe tops of giant oaks rise from it like the green plume from an extinct volcanowhich is 17 year old Alexs secret place where he reads his mysteries and daydreams far from the prying eyes of student block commander Gregorov Alex attends school in the old city of Charleston which is used by Alexs history teacher Brownsky as the example of pre Great Uprising America in which the decadent rich exploited the workers and slaves whose toil was converted into luxurious homes for a handful of capitalists Near the Nurovs mountain house Alexs discovers what he calls The Book Alexs knows he should turn The Book over to his father Or at least destroy it Instead this discovery turns Alex into one of the detectives he admires drawing him into a dangerous quest to prove that The Book is full of liesor that everything he has been taught is a lie There are three women in Alexs life Alexs American mother envisions a great future for her son and expects him to pursue the destiny she has earned for him through marriage She is willing to use her beauty and almost mystical charm to make sure her hopes cometo fruition Alex is infatuated with a

fellow student the athletic and gorgeous Martina Antipova a true Russian and the epitome of socialist womanhood Dedicated unquestioning and intelligent she is certainly the right choice While Alexs curiosity about The Book grows he encounters Celeste a wispy young American woman Easy and indifferent to the strict morality that governs Martina Antipova she introduces Alex to the seamy underbelly of old Charleston and more

Proceedings of the United States National Museum United States National Museum,1914 **Catalogue of the Ungulate Mammals in the British Museum (Natural History): Artiodactyla, families Cervidæ (deer), Tragulidæ (chevrotains), Camelidæ (camels and llamas), Suidæ (pigs and peccaries), and Hippopotamidæ (hippopotamus)** British Museum (Natural History). Department of Zoology,Richard Lydekker,1915 [A Review of the Philippine Land Mammals in the United States National Museum](#) Ned Hollister,1913 *Catalogue of the Ungulate Mammals in the British Museum (Natural History)* British Museum (Natural History). Department of Zoology,Richard Lydekker,1915 [The Philippine Journal of Science](#) ,1913 A memorial number was issued with v 7 *A Sumerian Grammar and Chrestomathy* Stephen Langdon,1911 **A Summerian and Chrestomathy** Stephen Herbert Langdon,1911 **Pitirim A. Sorokin** Barry V. Johnston,1995 Pitirim A Sorokin 1889 1968 was one of the most original important and controversial figures in American sociology His spectacular rise from a peasant childhood in Czarist Russia to the Olympian heights of Harvard University provides an unlikely and fascinating lens for examining the history of an entire discipline And as Barry Johnston shows his equally dramatic fall from favor and unexpected resurrection illuminate both Sorokin s life and the tempestuous world of academic politics An outspoken revolutionary and secretary to Alexander Kerensky Sorokin was imprisoned and ordered executed by Lenin then reprieved and exiled During the 1920s he flourished as a teacher and scholar at the University of Minnesota where he published several pioneering books on the Russian Revolution social mobility sociological theory and rural sociology Harvard president A Lawrence Lowell was so impressed that he recruited Sorokin to chair the university s first department of sociology From 1930 to 1944 the department prospered under Sorokin s leadership attracting an entire generation of young scholars who in their own right would have a profound impact on the discipline In this period Sorokin published several volumes of his magnum opus *Social and Cultural Dynamics* and became embroiled in a bitter battle with rival Talcott Parsons for control of the department Parsons ultimately deposed Sorokin and transformed sociology into the Department of Social Relations Sorokin nevertheless stayed on at Harvard where he established the Center for Creative Altruism but otherwise continued to work in relative obscurity Finally in 1963 after years in eclipse Sorokin was recognized for his accomplishments when he was elected president of the American Sociological Association During a long and distinguished career Sorokin amassed an amazingly diverse and substantial body of work much of which set the standard for the field At the same time he broke with the conventions of sociology frequently ridiculing and taunting his less adventurous colleagues For his heresy the flamboyant Sorokin was condemned and driven to the periphery of a profession anxious for legitimacy as a science As a result Sorokin s ideas have

been consistently ignored and misunderstood for more than a quarter century Based on exhaustive research in Sorokin s papers and the Harvard archives as well as interviews with Sorokin s surviving family members former students and colleagues this biography restores Sorokin to his rightful place in the pantheon of American intellectuals

The Glass Palace Chronicle of the Kings of Burma Hmannān maḥa yazawintawkyī,1923 In the year 1829 King Bagyidaw of Burma appointed a committee of scholars to write a chronicle of the Burmese kings The name of the chronicle was taken from the Palace of glass in which the compilation was made The present translation is based on the Mandalay edition of 1907 It begins with the third part which opens with history of the three Burmese kingdoms of Tagaung Tharehkittara and Pagan The fourth and fifth parts continue the history of Pagan until the time of its fall
