## Ufo Trek:

**UFO Trek** Warren Smith,2019-04-14 UFOS Friend or FOE Judge for yourself from these amazing first hand reports from people who have been visited by aliens and who have been taken to visit alien crafts These are contactees from civilizations so remote they have never heard of Star Trek or science fiction books or TV But first meet The Two Bo and Peep recruiters for a journey to another world or conmen Talk to Ted Owens Spokesman on Earth for Space Intelligence or a fanatic Read the latest findings on the patterns of modern sightings and interpret new evidence for the existence of ancient space chariots And most incredible learn all about the CIA and UFO s how the CIA investigates sightings where their data is processed whether they think UFOs are a threat to national security and what they have learned **The UFO Literature** Richard Michael Rasmussen,1985 *UFO Directory International* David Blevins,2003 Unidentified Flying Objects are said to have been photographed and filmed in every country in the world and witnessed by people from many different backgrounds Yet governments are generally unwilling even to acknowledge the possibility of UFOs and extraterrestrials and it is civilian organizations that have taken the lead in investigating them Over a thousand organizations and publications dedicated to investigating alleged UFOs and extraterrestrials are listed in this directory It focuses on those groups that conduct field research or review investigations locally nationally or internationally such as the Archives for UFO Research founded in 1973 and based in Sweden the British UFO Research Association founded in 1962 and based in England Centro Brasileiro de Pesquisas de Discos Voadores founded in 1983 and based in Brazil Flying Saucer Review first published in 1955 and based in England and the National UFO Reporting Center founded in 1974 and based in Washington State to name just a few The entries provide contact information including the organization or publication s address and telephone number and in many instances the organization or publication s fax number website and email address [Satan's Master Piece, a Patchwork Quilt of Evil!](#) James M. Sawyers Jr.,2016-05-21 This is an expos of Satan I have not sugar coated it in anyway As the title indicates Satan has devised a stumbling walkway and has made sure that we will not get through without falling pray to his devises If we fall we will share his damnation in the Lake of fire for eternity Trust in God and be saved through the blood of Jesus Acts 4 12 Neither is there salvation in any other for there is none other name under heaven given among men whereby we must be saved *Alien Worlds* Diana Tumminia,2022-09-01 This intriguing collection of essays presents reflections upon the birth proliferation enduring appeal and future of extraterrestrial mythology Highly respected authors and researchers representing the varied and sometimes competing perspectives of ufology and the sociology of religion provide a fascinating and instructive voyage into the social worlds of UFOs abductees and contactees Reports of aliens and the changing nature of abduction experience even its sexual dimension are explored in relation to literature cultural practices and ideology The influence of abduction therapy and support groups is considered as are new religious movements with extraterrestrial themes *Alien Worlds* will enlighten anyone wanting to understand what and how the academic world thinks about UFOs

contactee groups and alien phenomena      *UFO Secrets Revealed* Phil Cousineau,1995      Encyclopedic Sourcebook of Ufo Religions James R. Lewis,2003-11 The macabre mass suicide by adherents of the Heaven s Gate Cult in 1997 was shocking and difficult to comprehend for most outsiders Their bizarre mindset which mixed New Age religion with belief in extraterrestrial visitation struck many as unique In fact as the contributors to this intriguing study show the belief in alien contact has had religious overtones since the first purported sighting of an unidentified flying object UFO in 1947 Moreover the religious dimensions of the UFO phenomenon may be the key to understanding the widespread appeal of this modern craze An expert in new religions Professor James Lewis has here brought together twenty insightful articles that cover the many variations of UFO based religions What the contributors demonstrate is that there are persistent and salient themes underlying the diversity of beliefs centered on the UFO phenomenon Harkening back to theosophy many groups have interpreted UFO sightings and alleged contacts as attempts by alien ambassadors from a more advanced civilization to bring spiritual enlightenment to Earth where humanity is seen to be floundering in ignorance The extraterrestrial message is usually channeled through a charismatic human leader who then mobilizes a group around this New Age revelation The Encyclopedic Sourcebook of UFO Religions discusses the histories and beliefs of prominent UFO based sects looks at group dynamics and other sociological factors and presents selections from the unusual literature of the various groups This revealing and disturbing study shows that there is much more to the UFO phenomenon than simple curiosity about the possibility of life on other planets      *Light and Dark* Trevor J. Hawkeswood,2013 Trevor J Hawkeswood is a scientist who has experienced hundreds of paranormal events in his lifetime In *Light and Dark* he recounts some of these incredible interactions He believes that reality occurs on two separate but interwoven planes of existence the Earth plane and the multiple levels of the spiritual planes including the lower levels from where the dark souls of humans who have died reach out to us He has experienced more than one hundred sightings of the shadow people or black ghosts He credits guardian angels with saving him from harm or certain death on a number of occasions Hawkeswood also shares accounts of his numerous sightings of strange aerial phenomena he believes were caused by UFOs He has personally experienced clairaudience voices from beyond and precognition or the ability to see the future His detailed account of a unique out of body experience OOB challenges what is known about this remarkable ability His OOB was unlike anything that has ever been described by others who have experienced it and he shares it all in *Light and Dark* But it hasn t all been safe or pleasant At eighteen he survived a terrifying encounter with a demon gargoyle who tried to steal his soul energy after paralyzing him A comprehensive handbook for the paranormal enthusiast Hawkeswood s work also provides a glossary and reference list of English language UFO books In *Light and Dark* he shares a lifetime of experiences ideas and theories about this fascinating field of study      **UFOs and the Extraterrestrial Contact Movement: Unidentified flying objects** George M.
