Green,2017-02-19

With Washington s proximity to the Confederate capital of Richmond Union military operations in the first two years of the Civil War focused mainly on the Eastern Theater where General McClellan commanded the Army of the Potomac McClellan s On to Richmond battle cry dominated strategic thinking in the high command When he failed and was sacked by President Lincoln a coterie of senior officers sought his return This re examination of the high command and McClellan s war in the East provides a broader understanding of the Union s inability to achieve victory in the first two years and takes the debate about the Union s leadership into new areas **The Bookseller** ,1913 *The Works of the REV. John Newton, Vol. 1 of 6 (Classic Reprint)* John Newton,2017-10-11 Excerpt from *The Works of the Rev John Newton Vol 1 of 6* The first of the following letters is so well adapted an int duction to the rest that to trouble the reader With a long preface would be quite needless and impertinent I will therefore detain him from entering upon the delightful and instructive relation which the following sheets present him with little longer than while I assure him that the marraq tire is quite genuine and that the following letteis were written to me at my request Some verbal relations of the facts awakened my curiosity to see a more connected ac count of them which the author very obligingly consented to having at that time no intention of its being made pub lic But the repeated solicitations of friends have at last prevailed and indeed the publication is the more needful as several imperfect copies have been handed about and there has been cause to think some surreptitious edition might steal through the press into the hands of the public I have therefore with consent of the author now sent these Letters abroad in their original form They were written in haste as letters of friendship to gratify my curls osity but the style as well as the narrative itself is so plain and easy that corrections were thought needless I can only add my best wishes that the great truths they contain may prove as edifying as the facts are striking and entertaining About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses

state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The English Catalogue of Books ...: 1801-1836.
