India Africa and Latin America and will be of interest to scholars and students of film studies cultural studies and postcolonial studies as well as to film enthusiasts keen to explore a wider range of world cinema Jacket [An Introduction to World Cinema](#), 2d ed. Aristides Gazetas,2016-04-28 Motion pictures are more than just entertainment In film studies courses in colleges and universities worldwide students and professors explore the social political technological and historical implications of cinema This textbook provides two things the history of film as an art form and an analysis of its impact on society and politics Chapters are arranged chronologically covering the major developments in film like the advent of talkies or the French New Wave Each era is examined in the context of several exemplary films commonly viewed in film studies courses Thus students can watch Birth of a Nation and Intolerance while studying the innovations made by D W Griffith from 1910 to 1919 The scope is global embracing the cinematic traditions of Asia Latin America and Africa as well as the ever important American and European output Thoughtful articles from film scholars are included The flexible structure of the text allows a variety of options for classroom use or personal study Instructors considering this book for use in a course may request an examination copy here [Cinema](#) ,1929 **The Oxford Handbook of Chinese Cinemas** Carlos Rojas,Eileen Chow,2013-03-13 What does it mean for a cinematic work to be Chinese Does it refer specifically to a work s subject or does it also reflect considerations of language ethnicity nationality ideology or political orientation Such questions make any single approach to a vast field like Chinese cinema difficult at best Accordingly The Oxford Handbook of Chinese Cinemas situates the term more broadly among various different phases genres and distinct national configurations while taking care to address the consequences of grouping together so many disparate histories under a single banner Offering both a platform for cross disciplinary dialogue and a mapping of Chinese cinema as an expanded field this Handbook presents thirty three essays by leading researchers and scholars intent on yielding new insights and new analyses using three different methodologies Chapters in Part I investigate the historical periodizations of the field through changing notions of national and political identity all the way from the industry s beginnings in the 1920s up to its current forms in contemporary Hong Kong Taiwan and the global diaspora Chapters in Part II feature studies centered on the field s taxonomical formalities including such topics as the role of the Chinese opera in technological innovation the political logic of the Maoist film and the psychoanalytic formula of the kung fu action film Finally in Part III focus is given to the structural elements that comprise a work s production distribution and reception to reveal the broader cinematic apparatuses within which these works are positioned Taken together the multipronged approach supports a wider platform beyond the geopolitical and linguistic limitations in existing scholarship Expertly edited to illustrate a representative set of up to date topics and approaches The Oxford Handbook of Chinese Cinemas provides a vital addition to a burgeoning field still in its formative stages [World Cinema through Global Genres](#) William V. Costanzo,2013-12-02 World Cinema through Global Genres introduces the complex forces of global filmmaking using the popular concept of film genre The cluster based organization allows students to acquire

a clear understanding of core issues that apply to all films around the world Innovative pedagogical approach that uses genres to teach the more unfamiliar subject of world cinema A cluster based organization provides a solid framework for students to acquire a sharper understanding of core issues that apply to all films around the world A deep focus section in each chapter gives students information and insights about important regions of filmmaking India China Japan and Latin America that tend to be underrepresented in world cinema classes Case studies allow students to focus on important and accessible individual films that exemplify significant traditions and trends A strong foundation chapter reviews key concepts and vocabulary for understanding film as an art form a technology a business an index of culture a social barometer and a political force The engaging style and organization of the book make it a compelling text for both world cinema and film genre courses

World Cinema and the Ethics of Realism Lúcia Nagib, 2011-01-20 A sweeping study of world cinema illustrating how its creative peaks stem from the urge to reveal otherwise hidden political and social dimensions of reality

Experimental Cinema, 1930 **World Cinema, Theology, and the Human** Antonio D. Sison, 2012 Forging an open minded but reasoned dialogue between nine acclaimed titles of world cinema and a range of theological perspectives that touch on the theme of human experience World Cinema Theology and the Human offers fresh portals of insight for the interdisciplinary area of Theology and Film In Sison's approach it is the cinematic representation of vivid humanity not necessarily propositional statements about God and religion that lays down a bridge to a conversation with theology Thus the book's project is to look for the divine presence written not on tablets of stone but on tablets of human hearts depicted on screen by way of audiovisual language Seeking to redress the interdiscipline's narrow predilection for Hollywood blockbusters the book casts its net wider to include a culturally diverse selection of case studies from festival gems such as Singapore's *Be With Me* and South Africa's *Yesterday* to widely acclaimed sleeper hits such as Britain's *Slumdog Millionaire* and New Zealand's *Whale Rider* The book will appeal to scholars of theology and religious cultural studies interested in the Theology Religion Film interface and because of its commitment to an examination of film qua film a crossover readership from film studies
