Celebrate Jesus Phil Christensen, Shari MacDonald, 2003 This sequel to the best selling *Our God Reigns* tells the stories behind favorite praise and worship songs like *Ancient of Days* *I Stand in Awe* *Change My Heart O God* and *Awesome God*

When God Speaks Through Worship Craig A. Satterlee, 2009-01-08 *When God Speaks through Worship Stories* Congregations Live By is a collection of stories of congregational worship in which God's ongoing presence speech and activity are apparent These stories of proclaiming the gospel teaching the faith praying singing baptizing blessing and sharing bread and wine in Jesus's name share the purpose of these activities in worship yet still challenge the reader to explore the motives behind them When we worship in church are we worshipping God or ourselves Has worship become more people centered than Christ centered We have our preferred styles but is that getting in the way of the purpose of worship In his follow up to *When God Speaks through Change Preaching in Times of Congregational Transition* and *When God Speaks through You How Faith Convictions Shape Preaching and Mission* Craig A Satterlee uses eight stories to inspire other congregations to seek God through their worship He discusses both the joys and challenges of worship as well as the supportive parts of it such as specific vocations planning and communication However your church chooses to express itself through worship this book will make you think about how you're going about it why and what impact it is having on the people within your congregation and the community around it

Young Children and Worship Sonja M. Stewart, Jerome W. Berryman, 1989-01-01 The authors have devised an exciting way to introduce three to seven year olds to the wonder of worship Activities are developed around the order of worship commonly used in Reformed churches assemble in God's name proclaim give thanks to and go in God's name

A Day in the Life of a Pair of Trousers and Other Stories Brian A Curtis, 2016-06-30 *A Day in the Life of a Pair of Trousers and Other Stories* 48 Stories for Use in Christian Worship and on Other Occasions offers worship leaders a treasury that opens up the Scriptures to children The storyteller Brian A Curtis recognizes the deep need for churches to share biblically grounded stories with children who come to worship especially in congregations where worship tends to cater to adults He also acknowledges the difficulties faced in asking children who are unfamiliar with church practices to gather at the front of the church As a consequence *A Day in the Life of a Pair of Trousers and Other Stories* is designed to work well with children particularly with those who wish to remain seated with their families The stories use simple colourful and enchanting language to tell memorable tales that bring key biblical themes and texts to life They can be read aloud straight from the page to children of all ages Indeed adults may well be found listening and engaged in the stories Forty four of the stories stand on their own The remaining four are linked in episodic format intended to be used over consecutive worship services This collection of forty eight stories equips worship leaders to offer uplifting biblical messages to children especially to those who may be unfamiliar with Christian worship

Stories of Worship Joan Isaac Becker, 2019-06-27 I found these stories to be insightful as I read them in the Bible So I wanted to personalize them for

myself I fictionalized them and gave some of the characters names which don't appear in the Bible but helped make the story more personal I included one personal story where worship played an important part in healing from our loss I hope these stories help you find even more stories in Scripture than I found to be centered on worship It has helped me to love all scripture even more The discussion questions are there to apply the concepts of the story to ourselves I have had to ask myself these same questions and I don't often like the answers I see in myself Worship is an important exercise in a Christian's life Worship is expressed in many ways in response to answered prayer in tears because we don't understand why we are going through difficult times in obedience of being willing to sacrifice a son or daughter But all worship should be to God for His glory and honor The stories in this book illustrate how we worship in different times and seasons of our lives These stories have helped me see how important worship is throughout the Bible Our worship today isn't the same as yesterday's worship or will be the same as tomorrow's worship Our lives change but God never changes He desires our worship for He is worthy He loves us just as we are whether life is tough or sweet So let us Come and Worship our Lord and Savior

The Sacrifice of Praise Lindsay Terry, 2010-05-24 Read the inspiring tales that gave birth to fifty of today's most beloved worship songs
