Worthless Pursuits:

Watch Your Step! John A. Keller,2014-10-16 The greatest fear of the Christian parent is that his or her children are not walking in the truth and consequently will unwillingly self inflict much pain and sorrow on themselves becoming trapped by the pitfalls of life Your journey in life will be determined by the choices in your youth Basing those choices on truth rather than on perception determines the quality of that journey as well as choosing the final destination There is no reset button in life Avoiding the pitfalls of life takes wisdom wisdom not of this world The key to avoiding and worse yet causing a disaster in your life is to develop a keen eye for any signs of trouble Watch Your Step Barefoot in a Broken Glass World helps the reader identify and avoid the pitfalls as identified by Solomon the wisest man who ever lived He had profound insights into the fallen nature of man Solomon s intent for the book of Proverbs was teaching young people the tactical skill of biblical wisdom The purpose for Proverbs is to equip us with divine wisdom Possessing this wisdom will bring the most success in this life and minimize the negative effects of living in a fallen world Watch your step you never know from one moment to the next what challenges in your life await you After all we are all born barefoot in a broken glass world [The Quest for Meaning](#)

Abiodun Coker,2023-12-19 This book is for those willing to move from mere existence in the dead zone to living their best years It is a reminder that every flower grows through the dirt Do you feel like you are at a life intersection without navigational aid If you are not where you want to be this book is for you Don t give up [Following Wisdom, Leading Wisely](#)

Jeff Roper,2024-02-21 If it is true that everything rises and falls on leadership we have a problem A recent international survey revealed that 86 percent of respondents believe we are facing a global leadership crisis The study encompassed leadership in business government the non profit sector and religion Non profit and business leaders ranked highest in terms of public confidence Government leaders ranked very low The only leaders to rank lower than government leaders were religious leaders This leadership crisis is not driven by an absence of leaders Leaders are everywhere yet we still have a leadership crisis Nor is this crisis caused by a lack of leadership training Who can keep up with the books seminars and training programs offering the latest trends and best thinking on leadership And yet we still have a leadership crisis While the world is looking for better leadership methods God is looking for better leaders leaders shaped by wisdom What use after all is getting things done or even servant leadership without wisdom In Proverbs we discover an ancient training regimen for leaders guiding them in the cultivation of virtuous character Following Wisdom Leading Wisely is an invitation to rediscover this ancient wisdom for today s leaders *The New Statesman* ,1917 **Lord Gauranga, Or, Salvation for All**
