Cries of a Wounded Wolf Anthony J. Raines,2015-10-15 I hope that those who read this may find a way to understand that insanity is nothing more than a choice There are many times in life that we are hit by the painfully unexpected it is up to us to choose how we react I blamed another for what I went through this was wrong I may have been hurt by the actions of another but I was the one who chose to lay down with my demons We are never given more than we can handle We just have to realize that we are as strong as we want to be

White Fox Gary Dallmann,2013-09 This is a story about a warrior of the People the Dakota nation After extensive research Gary Dallmann chose to write a story that recounts the exploits of White Fox a warrior who was elevated to chief of the Dakota nation at the young age of twenty eight As chief he faced many challenges This kind intelligent man proved to be the right choice since he had the welfare of his people paramount in his mind This is also a gripping tale of misplaced revenge against White Fox by Broken Face a fierce warrior of the Tree People His obsession ended the lives of many warriors Worry over a demented enemy would have been sufficient to age a seasoned chief but to make things worse White Fox s spirit helper sent a message warning him of a dangerous and seemingly demonic pack of wolves invading the Dakota hunting grounds The wolves were killing indiscriminately and their evil sport was not restricted to animals
