Wpa Guide To California:

The WPA Guide to California California, Federal Writers' Project, 1939 **California in the 1930s** Federal Writers Project of the Works Progress Administration, 2013-04-23 Alive with the exuberance contradictions and variety of the Golden State this Depression era guide to California is more than 700 pages of information that is as David Kipen writes in his spirited introduction anecdotal opinionated and altogether habit forming Describing the history culture and roadside attractions of the 1930s the WPA Guide to California features some of the very best anonymous literature of its era with writing by luminaries such as San Francisco poet Kenneth Rexroth composer writer hobo Harry Partch and authors Tillie Olsen and Kenneth Patchen **San Diego in the 1930s** Federal Writers' Project of the Works Progress Administration of Northern California, 2013-04-16 San Diego in the 1930s offers a lively account of the city s culture roadside attractions and history from the days of the Spanish missions to the pre Second World War boom The guide is revealing both in the opinions it embodies and in the juicy details it records tidbits such as the bloodiest and most incompetently fought battle of the Mexican American War Emma Goldman s abruptly terminated speech to local Wobblies in 1912 and even a delightfully anachronistic way to beat a San Diego speeding ticket Brimming with tours that can prove challenging to retrace this book reminds us of the changes wrought by seven decades of intervening war peace and biotechnology Unlatching a remarkable trapdoor into the past this compact and charming document of the Depression era invites repeated browsing and is generously illustrated with striking black and white photographs that bring the period to life *San Francisco in the 1930s* Federal Writers' Project of the Works Progress Administration of Northern California, 2011-04-05 Originally published New York Hastings House 1940 as part of the American guide series Title of rev 2d ed 1947 was San Francisco the bay and its cities **Los Angeles in the 1930s** Federal Writers Project of the Works Progress Administration, 2011-04-05 Los Angeles in the 1930s returns to print an invaluable document of Depression era Los Angeles illuminating a pivotal moment in L A s history when writers like Raymond Chandler Nathanael West and F Scott Fitzgerald were creating the images and associations and the mystique for which the City of Angels is still known Many books in one Los Angeles in the 1930s is both a genial guide and an addictively readable history revisiting the Spanish colonial period the Mexican period the brief California Republic and finally American sovereignty It is also a compact coffee table book of dazzling monochrome photography These whose haunting visions suggest the city we know today and illuminate the booms and busts that marked L A s past and continue to shape its future *San Francisco in the 1930s* Federal Writers Project of the Works Progress Administration, 2011-04-05 San Francisco has no single landmark by which the world may identify it according to *San Francisco in the 1930s* originally published in 1940 This would surely come as a surprise to the millions who know and love the Golden Gate Bridge or recognize the Transamerica Building s pyramid This invaluable Depression era guide to San Francisco relates the city s history from the vantage point of the 1930s describing its culture and highlighting the important

tourist attractions of the time David Kipen s lively introduction revisits the city s literary heritage from Bret Harte to Kenneth Rexroth Jade Snow Wong and Allen Ginsberg as well as its most famous landmarks and historic buildings This rich and evocative volume resonant with portraits of neighborhoods and districts allows us a unique opportunity to travel back in time and savor the City by the Bay as it used to be The WPA Guide to the Monterey Peninsula ,1989 Guide to America; a Treasury of Information about Its States, Cities, Parks, and Historical Points of Interest ,1947 **The California Handbook** ,1987 *Global West, American Frontier* David M. Wrobel,2013-10-15 This book examines how travel writers viewed the American West from the age of Manifest Destiny through the Great Depression In the nineteenth century the West was often presented as one developing frontier among many in the twentieth century travel writers often searched for American frontier distinctiveness Provided by publisher Provided by publisher **The 1929 Bunion Derby** Charles B. Kastner,2014-03-31 On March 31 1929 seventy seven men began an epic 3 554 mile footrace across America that pushed their bodies to the breaking point Nicknamed the Bunion Derby by the press this was the second and last of two trans America footraces held in the late 1920s The men averaged forty six gut busting miles a day during seventy eight days of nonstop racing that took them from New York City to Los Angeles Among this group two brilliant runners Johnny Salo of Passaic New Jersey and Pete Gavuzzi of England emerged to battle for the 25 000 first prize along the mostly unpaved roads of 1929 America with each man pushing the other to go faster as the lead switched back and forth between them To pay the prize money race director Charley Pyle cobbled together a traveling vaudeville company complete with dancing debutantes an all girl band wearing pilot outfits and blackface comedians all housed under the massive show tent that Pyle hoped would pack in audiences Kastner s engrossing account often told from the perspective of the participants evokes the remarkable physical challenge the runners experienced and clearly bolsters the argument that the last Bunion Derby was the greatest long distance footrace of all time **Race across America** Charles B. Kastner,2020-01-03 2020 Peace Corps Writers Paul Cowan Award for the Best Book of Non Fiction On April 23 1929 the second annual Transcontinental Foot Race across America known as the Bunion Derby was in its twenty fifth day Eddie the Sheik Gardner an African American runner from Seattle was leading the race across the Free Bridge over the Mississippi River Along with the signature outfit that earned him his nickname a white towel tied around his head white shorts and a white shirt Gardner wore an American flag a reminder to all who saw him run through the Jim Crow South that he was an American and the leader of the greatest footrace in the world Kastner traces Gardner s remarkable journey from his birth in 1897 in Birmingham Alabama to his success in Seattle Washington as one of the top long distance runners in the region and finally to his participation in two transcontinental footraces where he risked his life facing a barrage of harassment for having the audacity to compete with white runners Kastner shows how Gardner s participation became a way to protest the endemic racism he faced heralding the future of nonviolent efforts that would be instrumental to the civil rights movement Shining a bright light on his

extraordinary athletic accomplishments and his heroism on the dusty roads of America in the 1920s Kastner gives Gardner and other black bunioneers the attention they so richly deserve **American Literature in Transition, 1930-1940** Ichiro Takayoshi,2018-11-15 American Literature in Transition 1930 1940 gathers together in a single volume preeminent critics and historians to offer an authoritative analytic and theoretically advanced account of the Depression era s key literary events Many topics of canonical importance such as protest literature Hollywood fiction the culture industry and populism receive fresh treatment The book also covers emerging areas of interest such as radio drama bestsellers religious fiction internationalism and middlebrow domestic fiction Traditionally scholars have treated each one of these issues in isolation This volume situates all the significant literary developments of the 1930s within a single and capacious vision that discloses their hidden structural relations their contradictions similarities and reciprocities This is an excellent resource for undergraduate graduate students and scholars interested in American literary culture of the 1930s **The Great Depression in Literature for Youth** Rebecca L. Berg,2004-11-17 No area of the United States was untouched by the Great Depression but the severity in which people experienced those significant years depended in large part on where in the nation they lived While dust choked the life out of Americans in the plains apples grew in abundance in the Northwest Unemployment driven poverty robbed urban dwellers of hearth and home while Upper plains farm women traded eggs and chickens like money This bibliography describes the youth literature and relevant resources written about the Great Depression all categorized by geographical location Students educators historians and writers can use this book to find literature specific to their state or region gaining a greater understanding of what the Great Depression was like in their locale The Great Depression was a pivotal period in our nation s history This annotated bibliography guides readers to biographies oral histories memoirs and recollections photograph collections fiction and nonfiction books picture books international resources and other reference sources The Works Progress Administration WPA state guides are included as well as literature about the federal theater arts and music projects A comprehensive listing of museums and state historical societies complement this reference For readers interested in learning about the Great Depression this is a must have resource **California** Federal Writers' Project.
