**Wrinkled Missionaries** Phyllis Gunderson, 2003 This handy book dispels the myths and fears that many senior couples face as they consider missionary service Engaging actual experiences tie together the principles given in each chapter the author candidly addresses sensitive situations and gives assurance to those planning to serve in their golden years at a mission reunion of mature couples and single sisters one of the guests was a 60 year old woman in good health with an equally healthy bank account She listened to the adventures and while admitting wistful admiration she announced she could never go on a mission at her age Why not someone asked I m not sure she said I guess I m afraid I m too old to go tracting deal with rejection or learn a foreign language It doesn t sound worth the effort She couldn t be more wrong This volume uses true short stories to answer questions and concerns of mature Church members who don t realize how much they have to offer the experiences of former wrinkled missionaries provide reassurance and courage They ve served in a vast variety of assignments throughout the world If you ve survived to a respectable age in spite of hearing aids and hip replacements you ve never been more valuable Come join the work bring your own oxygen Panoplist, and Missionary Magazine ,1900

Schertz,2015-06-18 On February 5 2000 the Institute of Mennonite Studies held a conference at Associated Mennonite Biblical Seminary entitled Without Spot or Wrinkle Reflecting Theologically on the Nature of the Church This conference gave attention to ecclesiology in direct response to challenges that Mennonite church bodies in Canada and the United States have been facing in recent times The phrase without spot or wrinkle comes from Ephesians 5 27 a text addressing relationships between husbands and wives within the Christian household Historically it has also come to symbolize what Mennonites have sometimes believed about the nature of the church Anabaptists and Mennonites who came after them have often maintained that the true church is a gathering of reborn and spiritually regenerated Christians called to be a community free from moral failure At present however some Mennonites are questioning elements of this conceptual legacy and in light of personal failings and hurtful church schisms are expressing doubts about its practical adequacy and theological tenability The essays in this book do not provide a unified argument What the authors have in common is concern for the church and commitment to faithfulness Readers are invited to reflect on the issues and make their own assessments **Herald and Presbyter** ,1913 *A Typical Mission in China* William Edward Soothill,1907 *The Missionary Herald: For the year 1841* American Board of Commissioners for Foreign Missions,1841 *Glimpses of India and of Mission Life* Mrs. Hutcheon,1878 **Records of the General Conference of the Protestant Missionaries of China** Matthew Tyson Yates,1878 Men ,1896 **Missions** Howard Benjamin Grose,1924 The Christian Advocate ,1914
