Write And Write Again:

The ^AMahler Family Letters ,2009-03-02 Hundreds of the letters that Gustav Mahler addressed to his parents and siblings survive yet they have remained virtually unknown Now for the first time Mahler scholar Stephen McClatchie presents over 500 of these letters in a clear lively translation in *The Mahler Family Letters* Drawn primarily from the Mahler Rose Collection at the University of Western Ontario the volume presents a complete well rounded view of the family s correspondence Spanning the mid 1880s through 1910 the letters record the excitement of a young man with a burgeoning career as a conductor and provide a glimpse into his day to day activities rehearsing and conducting operas and concerts in Budapeast and Hamburg and composing his first symphonies and songs On the private side they document his parents illnesses and deaths and the struggles of his siblings Alois Justine Otto and Emma The letters also give Mahler s insightful impressions of contemporaries such as Johannes Brahms Richard Strauss and Hans von Bulow as well as his personal feelings about significant events such as his first big success the completion of Carl Maria von Weber s *Die drei Pintos* in 1889 In the fall of 1894 the character of the letters changes when Justine and Emma come to live with Mahler in Hamburg and then Vienna removing the need to communicate by letter about quotidian matters At this point the letters relay noteworthy events such as Mahler s campaign to be named Director of the Vienna Court Opera his conducting tours throughout Europe and his courtship of Alma Schindler *The Mahler Family Letters* provides a vital nuanced source of information about Mahler s life his personality and his relationships McClatchie has generously annotated each letter contextualizing and clarifying contemporary historical references and Mahler family acquaintances and created an indispensable resource for all Mahlerists 19th century musicologists and historians of 19th century Germany and Austria
