

Start, Stop, Continue

Start

Start regularly checking my emails and responding to relevant messages within 24 hours.

Begin prioritizing my work tasks by urgency and importance, to be more productive.

Start taking a 10-minute walk every day for my physical health.

Stop

Stop procrastinating and wasting time on social media during work hours.

Stop eating unhealthy snacks during the day, and instead opt for healthier options.

Stop avoiding difficult conversations with colleagues and clients, and instead address any issues directly.

Continue

Continue setting aside time each week to learn new skills or attend professional development training.

Continue actively listening to feedback from my team and implementing constructive suggestions.

Continue showing appreciation to colleagues for their hard work and contributions.

Write From The Start Process And Practice:

Everyday Community Practice Amanda Howard, Margot Rawsthorne, 2025-09-30 This book provides a practical but sophisticated exploration of community development practice and is an accessible relevant and contextualised guide for those studying social work and human services in Australia This fully revised and expanded second edition including new insights from communities preparing for responding to and recovering from disasters draws on the experiences of not only the authors but many current practitioners from diverse backgrounds working alongside communities to support socially just change The perspectives of these practitioners are drawn on throughout the book as well as in the exemplary projects case studies at the end of the book Blending practical skills and ideas with a solid theoretical foundation each chapter includes reflective questions and examples which can be used both in the classroom and in the field Enabling students to feel better supported in challenging dominant individualised practice frameworks it argues strongly that only collective action supported by community development practice can address significant social challenges such as those created by climate change poverty and social exclusion
