A Sense of Audience in Written Communication Gesa Kirsch,Duane Roen,1990-07 This book brings together the best current original work on the concept of audience in written communication Firstly examining historical and theoretical perspectives on audience the contributors explore and synthesize current theories on its shifting and intangible nature as well as the broader context of post structuralist concepts of reader writer and text The second part of the book embraces a wide variety of research on audience and serves to illuminate contested theoretical points of earlier chapters Authors of chapters report on case studies textual analyses comparative experimental research and protocol analysis

Teaching the Common Branches Werrett Wallace Charters,1913

Audience and Rhetoric James E. Porter,1992 Offering a new approach to the concept of audience this volume critiques the prevalent audience theories and practices in the field of rhetoric and composition using the archaeological methodology of Michel Foucault The author traces major audience treatments from Aristotle and George Campbell to the present and shows how the dominant approaches are founded on a managerial composing model which assumes that invention is the exclusive activity of the writer Porter argues for the ethical necessity of a social constructionist approach to audience developing out of reader response and poststructuralist theory For anyone involved in the creation of public policy

The Writer's Purposes Stephen Reid,2010-10-28 Part of the Penguin Academics series The Writer s Purposes A Reader for Composition is a rhetorical reader that focuses on reading and writing for specific purposes Each chapter in this carefully sequenced reader shows the reader how to read critically and rhetorically for a specific purpose engages the reader with classic and contemporary essays and helps the reader navigate the writing process Author Stephen Reid outlines the specific skills needed for each writing purpose and shows the reader how to adapt a variety of topics to specific audiences and contexts Short but essential rhetorical guidelines are followed by professional and student
