## **Writing For Dollars:**

**Writing for Dollars, Writing to Please** Joseph Kimble, 2012 This is a paperback edition of Writing for Dollars originally published as a jacketed hardback This unique book has been described as the one we've been waiting for and a game changer for public communication It collects the empirical evidence for the value of plain language in business government and law Professor Kimble summarizes 50 studies no less showing that using plain language can save organizations and agencies a ton of money and that plain language serves and satisfies readers in every possible way They strongly prefer it to legalese and officialese they understand it better and faster they are more likely to comply with it and they are more likely to read it in the first place Because it makes for readers who are more motivated trusting and confident it could even help to restore faith in public institutions The potential benefits are extraordinary The book also debunks the ten biggest myths about plain language including the myths about plain legal language It looks back on 40 highlights in plain language history And it outlines the elements of plain language The book's call for clarity and simplicity is vital to everyone who writes for the public and to every legal writer as well since more than 15 of the studies involved legal documents And the book's lively distinctive style makes it a pleasure to read Professor Kimble is a leading expert on this subject He has lectured throughout the United States and abroad and has won several national and international awards for his writing and work Joseph Kimble's book Writing for Dollars Writing to Please is full of real life examples of how plain language saves time and money for governments and businesses When I am doing presentations on the merits of plain language I show the book to people saying I've got a whole book full of examples from real workplaces of what I'm talking about That makes them realise I am talking about something that has evidence to back it up As an additional bonus Kimble refutes 10 myths about plain language and describes 40 historical highlights in the push for plain language worldwide Blog of the Center for Plain Language Writing for Dollars January 21 2015 Professor Joseph Kimble has gathered and updated a career's worth of insight into the myths best practices case studies and international developments in plain language in one accessible and indispensable little book Clear Language and Design Newsletter June 2013 This book is a real must for anyone looking to make their legal documents more accessible National Adult Literacy Agency Ireland Simply Put newsletter February 2013 This big little book is a closing argument for the cause of clarity and simplicity in legal expression The book includes a six page compendium of the elements of plain language that alone make the book worthy of a place on the credenza of every lawyer and judge In prose so incisive that it is itself an argument for what he advocates Kimble dispels the myths about plain language and answers the critics Kimble's case reaches a crescendo spoken in our profession's lingua franca dollars Plain writing not only increases efficiency and thereby saves time and money it empowers the practitioner to attract satisfy and retain clients and so be more successful This is a book worth reading worth study It is a reference it is a resource and it is a relief Michigan Bar Journal January 2013 What a terrific compilation of resources for those of us interested in more successful workplace writing If any of you are

trying to convince management that it's worth it to spend time creating more efficient and effective documents you need to get a copy of this book

Pros Write Blog January 2 2013 Kimble does not merely offer opinions His book includes hundreds of footnotes with citations to important articles and resources for those interested in plain language There is a treasure trove of information in these notes The book is readable and well organized Kimble's list of the elements of plain language would be useful for any lawyer For lawyers interested in more than the basics of plain language this book is a wonderful resource The Colorado Lawyer November 2012 With a refreshingly honest tone Kimble presents compelling arguments and evidence that plain language is the only sensible choice for any legal document American Association of Law Libraries Spectrum Blog August 22 2012 Kimble sets to rest arguments against using plain language and gives those who care about good writing the backup they need The numbers in the case studies are astounding CBA Chicago Bar Association Record If you are looking for clear evidence to support the claim that plain language works you can't go wrong with a new book Writing for Dollars Writing to Please by Joseph Kimble an international expert on legal writing It's full of examples from real agencies The book has over 50 case studies showing clear measurable improvements and the value of plain language in reducing costs and increasing effectiveness Usability in Civic Life Blog July 5 2012 Joe Kimble's past writings on plain language have been classics this book promises to be another Raymond Ward The New Legal Writer Blog June 17 2012 The book makes a powerful case for the value of plain language the business case the government case and the citizens case Blog of the Center for Plain Language Plain Language Matters May 30 2012 This is the one we've been waiting for Joe Kimble's update of his classic earlier work on the benefits of plain language written in his lively distinctive style If this doesn't convince lawyers business writers and government writers to use plain language nothing will They all need to have this book and take it to heart It promises to be a game changer for public communication Annetta Cheek Chair Center for Plain Language When people demand proof that plain language works we can now utter four short words Read Joe Kimble's book Proof aside it will also give them sound guidelines for creating clear documents plus a fresh and inspiring history of our field Martin Cutts author of The Oxford Guide to Plain English

**Writing for Dollars** John McCollister, 2010 There is more to becoming a successful writer than mastering the rules of grammar and syntax and saying something interesting in an interesting way In this information packed volume the president of the American Writers Institute presents seventy five practical selling tips that will help the talented freelancer achieve the goal of getting a byline and a check

*The English Writing System* Vivian J Cook, 2014-05-12 English is increasingly becoming the world's lingua franca If we are not native speakers of one of the many varieties of English then we may be students of English or use English regularly for academic or business purposes The English Language series which is international in focus aims to synthesize the wealth of existing linguistic research both on and in English Each volume in the series is designed to present these findings in an accessible enlightening and entertaining way not only to students of English linguistics but to learners and users of English across the globe The English Writing

System describes how writing is not simply ancillary to other aspects of language but vitally important to almost everything we do from signing our wills to sending a text message This book discusses the mechanics of the writing systems of English the different ways people process words on a page and the mistakes they can make how children and second language learners acquire these systems the historical development of the language and the progress of writing technology in short the effectiveness of the writing systems of English Combining an academic perspective from linguistics and psychology with insights into everyday spelling mistakes The English Writing System will interest students and teachers of linguistics literature the English language psychology and education

**The Wages of Writing** Paul William Kingston,Jonathan R. Cole,1986-08-04 **The Wages of Writing** **Caribbean Primary Maths** Errol Furlonge,2000-10 **Report of the Board of Directors of the Iowa State Agricultural Society, for the Year ...** Iowa State Agricultural Society,1887 Tennessee Reports Tennessee. Supreme Court,West Hughes Humphreys,1905 Buker-Felter Arithmetics: Third-fourth years Eva F. Buker,William Landon Felter,William L. Felter,1913 Singapore Math, Grade 3 ,2015-01-05 Singapore Math creates a deep understanding of each key math concept includes an introduction explaining the Singapore Math method is a direct complement to the current textbooks used in Singapore and includes step by step solutions in the answer key Singapore Math for students in grades 2 to 5 provides math practice while developing analytical and problem solving skills This series is correlated to Singapore Math textbooks and creates a deep understanding of each key math concept Learning objectives are provided to identify what students should know after completing each unit and assessments are included to ensure that learners obtain a thorough understanding of mathematical concepts Perfect as a supplement to classroom work these workbooks will boost confidence in problem solving and critical thinking skills
