

Part 1

You must answer this question. Write your answer in 220–260 words in an appropriate style.

1. Your class has watched a television programme on the reasons why many young people choose to live in cities. You have made the notes below:

Factors which influence why many young people prefer to live in cities:

- work
- education
- culture

Some opinions expressed in the discussion:

"There are a greater range of jobs available in cities."

"Most universities are in big cities."

"There is so much happening in big cities."

Write an essay discussing two of the factors in your notes which influence why many young people choose to live in cities. You should identify which factor you think is more significant, providing reasons to support your opinion.

You may, if you wish, make use of the opinions expressed in the discussion, but you should use your own words as far as possible.
