Writing Made Easy:

Writing by Numbers Melissa Shultz,Christine Tamer,2020 This book aims to demystify the legal writing process by providing concrete formulas both macro and micro formulas for mastering the content required for objective and persuasive legal analysis The macro formula we start with in this book is CRAC which stands for Conclusion C Rule R Analysis A and Conclusion C Within this macro formula we use micro formulas to help you draft the different parts of CRAC This book also takes different parts of legal work product such as the introduction to a motion or the question presented of an objective memo and breaks those parts down into components so that you can see how they are put together and then can write your own by applying those basic constructs At each juncture of your legal writing journey this book will give you a roadmap to follow and a step by step list of directions such that you will never feel completely lost and never find yourself faced with an entirely blank page
