Activity B, p. 4

Answers will vary. Sample answer:

I like meeting new people at school because it's a chance to make a new friend. Usually I have a lot in common with my classmates, so I don't feel really nervous. I say hello and smile, and I introduce myself. When I smile, it shows I am a friendly person. I also ask my new classmates questions to make them feel more comfortable. I usually ask them where they are from or what hobbies they have. Sometimes we make guesses about what our new teacher is going to be like.

Activity G, p. 9

Answers will vary. Sample answer:

I think the wrong way to use small talk is when people ask about topics that are offensive or too personal. For example, you shouldn't make jokes that could hurt the other person's feelings or beliefs. You also shouldn't use bad words or say anything mean about other people. Finally, I think it is wrong to talk about the problems in your life because it can make the other person feel very uncomfortable.

Activity A, p. 10

Answers will vary. Sample answers:

1. The last time I used small talk was on my first day of school. I didn't know any of my classmates. I started up a conversation with a couple of people sitting next to me. We talked about what classes we were taking and the music we liked.
2. I agree with the author that small talk is a big deal. If we don't know how to make small talk correctly, we might offend someone, and we might not be able to make friends. Also, people use small talk a lot at work to get better jobs, so it's very important.
