Soviet American Rivalry:

Soviet-American Rivalry Thomas B. Larson,1978 Compares the geography history politics ideologies economies and conflicting goals of the U S and Russia and predicts the future of their relationship *Soviet-American Rivalry in the Middle East* Jacob Coleman Hurewitz,1972 *Soviet-American Rivalry in the Middle East* Academy of Political Science (U.S.),Columbia University,1969 Cold War and Revolution Odd Arne Westad,1993-03-02 **Economic Growth and Soviet-American Rivalry** Abraham Samuel Becker,1961 A discussion is presented on various aspects of the function in the cold war of the U S U S S R rivalry in economic power and growth **Soviet-American Rivalry in the Middle East** Jacob Coleman Hurewitz,1969 **The Persian Gulf and the Strait of Hormuz** R.K. Ramazani,2024-09-02 **Anatomy of Hostility** Miroslav Nincic,1989 This examination of relations between the United States and the Soviet Union for International Relations U S Soviet relations and U S Foreign Policy courses is a work of synthesis and explanation written expressly for a student audience Throughout the book provides an overall framework for understanding the state of relations between the United States and the Soviet Union It is organized according to 1 the conflicts of interest real or imagine between the two regimes 2 the psychological perceptions conceptions and misconceptions each has of the other and 3 the domestic political considerations that fuel the rivalry in each country *"Reagan revisionism" and the Soviet-American rivalry* Dale L. Smith,1985 *Nuclear Non-Proliferation* Michael P. Fry,N. Patrick Keatinge,Joseph Rotblat,2012-12-06 This volume appears at a time when the prospects for banishing the threat of nuclear annihilation are brighter than at any time since the first atomic device exploded over the desert at Alamogordo The last few years have seen an extraordinary change in the climate of East West relations The programme of political and economic reform which President Gorbachev initiated in the Soviet Union and which is now spreading throughout most of Eastern Europe has been paralleled by serious efforts to reach agreement on measures for conventional and nuclear disarmament This has led to new hope that international peace and security can at last be built upon the firm foundation of justice respect for international law and a determination to approach problems in a spirit of genuine co operation rather than one of distrust and confrontation This new climate encourages us in the belief that the obvious common sense of preventing the further spread of nuclear weapons will come to be shared by all nations At the same time we have to recognize two very disturbing facts which imply that there can be no slackening of our efforts to strengthen the non proliferation regime **International Relations - Volume I** Jarrod Wiener,Robert A . Tatarstan one of Russia's Muslim polities as a case study Galeeva demonstrates the emergence of relations between modern Tatarstan and the GCC States evolving from concerns with economic survival to a rising paradiplomacy reliant on shared Islamic identities Having conducted fieldwork in the Muslim Republics of Tatarstan Bashkortostan and Dagestan the book includes interviews with high ranking political figures heads of religious organisations and academics Moving beyond solely economic and geopolitical considerations the research in this book sheds light on the increasingly important role that culture and shared Islamic identity play in paradiplomacy efforts
