Sow The Seed:

The Farmer Ways of Sowing Connie M. Brown,2014-07-29 Be like the farmers and sow for a change in your life circumstances In due season you will reap your harvest it s time to grow in GRACE you have been in kindergarten for too many years God has blessed you to care for children but yet you are still acting as a child when it comes to honoring GOD Grow up and honor GOD Give and it shall be given unto you good measure press down shaken together and running over Stop Stop looking at your pastor as getting your money it s a seed that you sow to honor GOD It didn t matter much where you sow your money when you didn t know any better You ve tried everything and anything that came with a convincing line telling you to sow your money into this are that and you will win more The instruction didn t come with a definite fact that you are going to win it guarantees a chance That s man traditional way of sowing and believing God s way for sowing is throughout the Bible GOD s promises are Trust in the Lord with all your heart and lean not on your understanding God will direct your path With a path like this any person seeking for new direction can t go wrong with trusting GOD Get the rope from around your neck during slavery days people didn t have a choice when the rope was place around their neck They were tied down like cattle bound and sail to sea for some they hung from a tree Today you have a choice Farmer s believe in the process of a seed sown A farmer can have only one seed plant the seed and simultaneously have faith that the one seed will reproduce after its own kind We should have faith like a farmer If we can just believe that seeds reproduce after its own kind and believe as the farmer believes our circumstances will change while going through the process Are you planting seeds

Sow Your Seed Midohoabasi Essienubong,2020-05-05 The principle of sowing and reaping begins at conception and remains a continuous part of our lives Our daily encounters are the harvest of our previous plantings The enjoyment or endurance of today s harvest is based on yesterday s seeds Likewise the seed s that we plant today will be reflected in tomorrow s harvest *The Seed Sower* Tammy L. Jordan,2014-04 Do you have a strong desire to harvest First Fruits for Christ and see more fruitful results in your Christian life Then it is time to start sowing seeds To have a beautiful garden ready for harvest in the summer you must be willing to plant many seeds in the spring The same concept is true of our Christian walk Embark on this forty day challenge to be a seed sower As you sow a different seed each day into the lives of others you will marvel how this seemingly small act creates great change in your own life and in those lives around you
