What's God Saying Here? Eric J. Bargerhuff,Matthew D. Kim,2025-10-21

Preachers and teachers are expected in Scripture to teach the whole counsel of God Yet in the Bible God says some rather odd things and strange things seem to happen The natural tendency for preachers and teachers alike is to skip over such troubling texts We tend to cherry pick from passages that we like and conveniently stray from texts or verses that are confrontational or bizarre Many teachers of the Bible will ask How do you teach that Let s just move on to the next passage or the next verse In What s God Saying Here Eric J Bargerhuff and Matthew D Kim offer advice on how to handle and communicate 30 of the most confusing verses passages sayings and stories in the Bible With the authors advice and encouragement and help from the Holy Spirit preachers and teachers will be less fearful about teaching such confusing passages Providing suggestions for exegeting illustrating and applying these difficult passages this book offers guiding principles for teaching peculiar texts with greater precision and confidence

The Space Between What's Said Archana K [AK],

In the silent spaces between conversations two souls discover a language uniquely their own Both masters of concealment they recognize in each other a similar depth that rare ability to see the truth behind carefully constructed facades Their connection defies conventional boundaries midnight revelations on city bridges cryptic messages that need no translation and dawn breaking after crisis calls answered without hesitation Between pretending we re fine and admitting we re broken that s where we found each other When shadows descend one commits the ultimate paradox withdrawing to protect the very person whose presence became sanctuary Their carefully constructed bridge stands empty while unspoken words accumulate like snow on abandoned pathways As seasons transform the city around them separate journeys trace invisible constellations back to a single park bench where truth once flowed freely In this delicate territory between vulnerability and protection lies their most profound challenge reconciling the impulse to shield with the courage to be witnessed Some bonds form not in light but

in shared darkness where masks finally fall away revealing that the most profound act of love is neither rescue nor retreat but the willingness to remain present in another's unvarnished truth

Who Would You Be Without Your Story? Byron Katie, 2008-10-15 This book is a collection of 15 dialogues that occurred throughout the United States and Europe with Byron Katie. Some of the people who worked with Katie have painful illnesses, others are lovelorn or in messy divorces. Some are simply irritated with a co-worker or worried about money. What they all have in common is a willingness to question with Katie's help the painful thoughts that are the true cause of their suffering. In every case we see how Katie's acute mind and fierce kindness helps each person dismantle for themselves what is felt to be unshakable reality. Although these dialogues make fascinating reading, some are both hilarious and deeply moving at once; they are intended primarily as teaching tools. Each took place in front of an audience and Katie never lost connection with that audience, repeatedly reminding each person in the room to follow the dialogues inwardly, asking themselves the questions the participant must ask. The dialogue between Katie and these volunteers is an external enactment of precisely the kind of dialogue each person can have with their own thoughts. The results, even in the seemingly most dire situation, can be unimagined freedom and joy.

The Gospel at Work Sebastian Traeger, Greg D. Gilbert, 2014-01-28 Find God's vision for your job. Reclaim God's vision for your life. Many Christians fall victim to one of two main problems when it comes to work: either they are idle in their work or they have made an idol of it. Both of these mindsets are deadly misunderstandings of how God intends for us to think about our employment. In *The Gospel at Work*, Sebastian Traeger and Greg Gilbert unpack the powerful ways in which the gospel can transform how we do what we do, releasing us from the cultural pressures of both an all-consuming devotion and a punch-in/punch-out mentality in order to find the freedom of a work ethic rooted in serving Christ. You'll find answers to some of the toughest questions that Christians in the workplace often ask: What factors should matter most in choosing a job? What gospel principles should shape my thinking about how to treat my boss, my co-workers, and my employees? Is full-time Christian work more valuable than my job? Is it okay to be motivated by money? How do you prioritize or balance work, family, and church responsibilities? Solidly grounded in the gospel, *The Gospel at Work* confronts both our idleness at work and our idolatry of work with a challenge of its own: to remember that whom we work for is infinitely more important than what we do.

Get What's Coming Sam Reaves, 1995 Chicago philosopher Cooper MacLeish, who gave up taxi driving to chauffeur a millionaire's limo, goes after the killers of his new boss's son. The son, a rocker, was framed in the theft of 1 million in drug money, then killed, so he could not talk to police.

So What's Wrong with Getting Reborn as a Goblin?, Vol. 4 Nazuna Miki, 2023-12-12 Salaryman Akira has been reincarnated as the exceptionally long-lived mayor of a goblin village in a fantasy world. He has a little society to shape as he pleases, a good relationship with the local human government, and enough inherited powers to make him a force to be reckoned with. But when a goblin is attacked on a trip to the human city, it turns out that even the count for all his authority can't punish citizens for attacking monsters. What's a goblin to do?
