**Space Adventure Collectibles** T. N. Tumbusch, 1990-01-01      Exploring Space: 1999 John Kenneth Muir, 2005-04-15

Starring internationally renowned actors Martin Landau Barbara Bain Barry Morse and Catherine Schell the British made Space 1999 was the only truly original space adventure of the mid 1970s Sandwiched between the demise of the original Star Trek and the opening of the Stars Wars series on the big screen Space 1999 featured a richly visualized world where space was terrifying and mysterious where not all problems were solvable by technology and the space travelers were very human From the science fiction show s conception in 1973 to its cancellation in 1977 this reference work covers each of the 48 episodes in depth including a full plot synopsis writer director guest star credits and critical commentary that examines both the episode and other shows that have used similar plotlines The popularity of Space 1999 memorabilia and its many fan clubs are fully discussed along with the possibility of a future movie or reunion show that would tie up the loose ends caused by the show s abrupt cancellation      Space Science and Public Engagement Amy Paige Kaminski, 2021-06-04 Space Science and Public Engagement 21st Century Perspectives and Opportunities critically examines the many dimensions of public engagement with space science by exploring case studies that show a spectrum of public engagement formats ranging from the space science community s efforts to communicate developments to the public to citizenry attempting to engage with space science issues It addresses why public engagement is important to space science experts what approaches they take how public engagement varies locally nationally and internationally and what roles non experts have played in shaping space science Space scientists outreach specialists in various scientific disciplines policymakers and citizens interested in space science will find great insights in this book that will help inform their future engagement strategies Critically examines how expert organizations and the space science community have sought to bring space science to the public Examines how the public has responded and in some cases self organized to opportunities to contribute to space science Outlines future engagement interests and possibilities      **An Analytical Guide to Television's Battlestar Galactica** John Kenneth Muir, 2015-09-15 When the space drama Battlestar Galactica debuted on ABC in 1978 it was expected to be the most popular new program of the year Instead it was attacked as a Star Wars rip off and canceled after a mere 17 stories The author acknowledges the show was full of dramatic cliches and scientific inaccuracies but despite these shortcomings Battlestar Galactica was a dramatically resonant series full of unique and individual characters such as Commander Adama Lorne Greene and ace warrior Captain Apollo Richard Hatch The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences The brilliant work of artist John Dykstra brought a new world of special effects to network television Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology which added a layer of depth and maturity to the weekly drama      *Warman's Americana and Collectibles* Edwin G.
