Space Places:

Spaces and Places in Western India Bina Sengar, Laurie Hovell McMillin, 2019-09-05 This book studies places and spaces in Western India both as geographical locations and as imagined constructs It uncovers the rich history of the region from the perspective of places of pilgrimage commerce community expression and indigeneity The volume examines how spaces are intrinsically connected to the lived experiences of people It explores how spaces in Western India have been constructed over time and how these are reflected in both historical and contemporary settings in the art architecture political movements and in identity formation The rich examples explored in this volume include sites of Bhakti and Sufi literature Maharashtrian Sikh identity Mahanubhav pilgrimage monetary practices of the Peshwas and the internet as an emancipatory space for the Dalit youth in Maharashtra The chapters in this book establish and affirm the forever evolving cultural topography of Western India Taking a multidimensional approach this book widens the scope of academic discussions on the theme of space and place It will be useful for scholars and researchers of history cultural studies geography the humanities city studies and sociology

Teaching Space, Place, and Literature Robert Tally Jr., 2017-10-30 Space place and mapping have become key concepts in literary and cultural studies The transformational effects of postcolonialism globalization and the rise of ever more advanced information technologies helped to push space and spatiality into the foreground as traditional spatial or geographic limits are erased or redrawn Teaching Space Place and Literature surveys a broad expanse of literary critical theoretical historical territories as it presents both an introduction to teaching spatial literary studies and an essential guide to scholarly research Divided into sections on key concepts and issues teaching strategies urban spaces place race and gender and spatiality periods and genres this comprehensive book is the ideal way to approach the teaching of space and place in the humanities classroom

Strange Places Alexandra Kogl, 2008-01-01 Strange Places The Political Potentials and Perils of Everyday Spaces explores the ways in which places can support good politics in a global era Using concrete examples and cases this interdisciplinary work is accessible to a broad scholarly audience

Socio-Legal Studies on Epistemic Injustice and Spaces and Places Mark L Flear, Ceri Davies-Tyrie, Daniel Wincott, 2026-01-01 This edited collection illuminates what the concept of a specifically epistemic type of injustice has to offer socio legal analysts The epistemic aspects of injustice comprise more than knowledges meaning and understanding to include the supporting material and discursive infra structures for their production and dissemination arising in space place time This book focuses on legal and regulatory arrangements and the forms of knowledge and meaning they carry and with which they interact in order to bring to light their spatial and place relatedness or boundedness which includes their temporal dimensions at various scales These highly innovative studies of epistemic injustice encompass the responsabilisation of patients in the North of England and Northern Ireland housing the systemic operations of law the construction of digital spaces by algorithms hospital discharges case law affecting Indigenous communities in Kenya the experience of mining disaster in Brazil and the

perspectives of rare diseases patients in Austria during the COVID 19 pandemic The book contributes towards law and geography in particular through the emphasis on temporality as part of space and place By highlighting the importance of author positionality and reflexivity and pausing so as to bolster the development of humility and sensitivity for more fully informed studies on epistemic injustice and its ameliorations the book also advances methodology for future studies

tracts of serenity most of them carved out of public land for recreation and preservation around the turn of the last century America has changed dramatically since then and so has its conceptions of what parkland ought to be In this book one of our premier environmental historians looks at the new phenomenon of urban parks focusing on San Francisco's Golden Gate National Recreation Area as a prototype for the twenty first century Cobbled together from public and private lands in a politically charged arena the GGNRA represents a new direction for parks as it highlights the long standing tension within the National Park Service between preservation and recreation Long a center of conservation the Bay Area was well positioned for such an innovative concept Writing with insight and wit Rothman reveals the many complex challenges that local leaders politicians and the NPS faced as they attempted to administer sites in this area He tells how Representative Phillip Burton guided a comprehensive bill through Congress to establish the park and how he and others expanded the acreage of the GGNRA redefined its mission to the public forged an identity for interconnected parks and struggled against formidable odds to obtain the San Francisco Presidio and convert it into a national park Engagingly written The New Urban Park offers a balanced examination of grassroots politics and its effect on municipal state and federal policy While most national parks dominate the economies of their regions GGNRA was from the start tied to the multifaceted needs of its public and political constituents including neighborhood ethnic and labor interests as well as the usual supporters from the

conservation movement As a national recreation area GGNRA helped redefine that category in the public mind By the dawn of the new century it had already become one of the premier national park areas in terms of visitation Now as public lands become increasingly scarce GGNRA may well represent the future of national parks in America Rothman shows that this model works and his book will be an invaluable resource for planning tomorrow s parks
