Speer Martin Kitchen,2015-10-28 Sets the record straight on Albert Speer s assertions of ignorance of the Final Solution and claims to being the good Nazi Kirkus Reviews In his bestselling autobiography Albert Speer Minister of Armaments and chief architect of Nazi Germany repeatedly insisted he knew nothing of the genocidal crimes of Hitler s Third Reich In this revealing new biography author Martin Kitchen disputes Speer s lifelong assertions of ignorance and innocence portraying a far darker figure who was deeply implicated in the appalling crimes committed by the regime he served so well Kitchen reconstructs Speer s life with what we now know including information from valuable new sources that have come to light only in recent years The result is the first truly serious accounting of the man his beliefs and his actions during one of the darkest epochs in modern history not only countering Speer s claims of non culpability but also disputing the commonly held misconception that it was his unique genius alone that kept the German military armed and fighting long after its defeat was inevitable A devastating portrait of an empty narcissistic and compulsively ambitious personality The Wall Street Journal Kitchen s exhaustively researched detailed book nails one by one the lies of the man who provided a thick coat of whitewash to millions of old Nazis Its fascinating account of how the moral degradation of the chaotic Nazi regime corrupted an entire nation is a timely warning for today Daily Mail Book of the Month An excellent new biography Kitchen has taken a wrecking ball to Speer s mendacious and meticulously created self image And about time too History Today Spandauer Tagebücher Albert Speer,1994 Hitler Redux Mikael Nilsson,2020-09-15 After Hitler s death several posthumous books were published which purported to be the verbatim words of the Nazi leader two of the most important of these documents were Hitler s Table Talk and The Testament of Adolf Hitler This ground breaking book provides the first in depth analysis and critical study of Hitler s so called table talks and their history provenance translation reception and usage Based on research in public and private archives in four countries the book shows when why where how by and for whom the table talks were written how reliable the texts are and how historians should approach and use them It reveals the crucial role of the mysterious Swiss Nazi Francois Genoud as well as some very poor judgement from several famous historians in giving these dubious sources more credibility than they deserved The book sets the record straight regarding the nature of these volumes as historical sources proving inter alia The Testament to be a clever forgery and aims to establish a new consensus on their meaning and impact on historical research into Hitler and the Third Reich This path breaking historical investigation will be of considerable interest to all researchers and historians of the Nazi era The Twisted Muse Michael H. Kater,1999-04-22 Is music removed from politics To what ends beneficent or malevolent can music and musicians be put In short when human rights are grossly abused and politics turned to fascist demagoguery can art and artists be innocent These questions and their implications are explored in Michael Kater s broad survey of musicians and the music they composed and performed during the Third Reich Great and small from Valentin Grimm a struggling clarinetist to Richard Strauss renowned composer
