Sparking The Rain:

Proceedings of the Royal Philosophical Society of Glasgow Royal Philosophical Society of Glasgow, 1864 [Rain's Run](#) ID Johnson, Rain is a wanted woman and it's apparent the Mothers will stop at nothing to track her down Escaping her home country wasn't easy Even though Rain and her friends have reached temporary safety they are a long way from the Nation of Quebec Recovering from a gunshot wound and tired from days of running Rain would like nothing more than to stay hidden in the mountains with the family that's taken them in But that's not an option Rain's presence has put these peaceful people's lives in jeopardy and when a tracker is accidentally tripped it's clear she has no choice but to start running all over again This time when she sets out her party won't be the same One of her companions will be replaced by a handsome stranger a man who not only promises to keep Rain safe he has her questioning her feelings for Adam Does she really love Adam or is it all infatuation with the only man she's ever really known Rain's still a long way from safety with Mother White and the others breathing down her neck There's no guarantee the government she's so desperately trying to reach will even help but she has to try The men of her homeland's lives certainly depend upon it and maybe the lives of her generation of women do too because rebellions are like a smoldering ember they're catching Continue Rain's journey in this thrilling dystopian romance
