The Diviner:

The Diviner Brynne Weaver, 2021-03-20 Quinn has a rare and powerful gift one that manifested from the rage and trauma of her harrowing childhood Years later the anger she can't let go of makes her an unpredictable and dangerous weapon of last resort for a kingdom on the brink of war Diviners like Quinn are venerated yet feared protected yet exploited Bonded to the Queen they are forced to endure hardship and sacrifice to protect her empire After a near loss in a key battle and the death of the Diviner of Fire the Queen calls for aid from the elite soldiers of the allied territories to the East A striking warrior named Kiran is assigned to protect and train Quinn and as the pair become close despite the rules that bind them they discover that the enemies within are just as dangerous as the ones at the gates Time is running out for Quinn to harness her power The enemy is closing in around them Impossible sacrifices haunt every decision Quinn makes As she fights to keep what little she's claimed as hers Quinn learns that her destiny might not lie in the hands of fates or kingdoms but in her own Praise for *The Diviner* *The Diviner* is a wonderfully immersive fantasy set in a carefully crafted magical world and is as much a deeply emotional love story as a suspenseful adventure The slow burn became an inferno W D Henning author of *Paradise Blight* and *Dark Fall* *The Diviner* is intricately written and not like any fantasy story you've read before This book will get you hooked and you'll build special connections with the characters you'll love Quinn of course but you'll also fall in love with Kiran Skye Adri and Rolfe *The Diviner* is worth the read every second you spend on it is not wasted Aina Untalan author of *Exes and Ohs* Quinn is an actual badass instead of being a damsel in distress which I hardly ever get to see in books Court of Miracles Awards Finalist Fans of fantasy romance series like *From Blood And Ash* and *A Discovery of Witches* will love *The Diviner* D Samms

The Diviner's Tale Brad Morrow, 2011-01-20 In addition to scaring the daylight out of us *The Diviner's Tale* stands up for the offbeat and unconventional in human nature The Boston Globe Cassandra Brooks is a diviner what used to be called a water witch Hired by a developer to dowse some land in upstate New York she is walking a lonely forested valley one spring morning when she comes upon the shocking vision of a young girl hanged from a tree When she returns with authorities to the site the body has vanished leaving in question Cassandra's credibility if not her sanity The next day during a return visit with the sheriff to have another look a dazed mute missing girl emerges from the woods alive and the very picture of Cassandra's hanged girl What follows is the narrative of ever deepening and increasingly bizarre divinations that will lead this gifted young woman the struggling single mother of twin boys hurtling toward a past she'd long since thought was behind her *The Diviner's Tale* is at once a journey of self discovery and an unorthodox murder mystery a tale of the fantastic and a family chronicle told by an otherwise ordinary woman who is about to be locked in a mortal chess match with a real life killer who has haunted her since before she can remember A splendidly written mystery A compelling story Grade A The Plain Dealer An astonishing writer Joyce Carol Oates New York Times bestselling author of *Double Delight* Beautifully written tight as a tripwire *The Diviner's Tale* isn't quite like any ghost story I've read before Boing Boing Morrow

quietly drops clues as he guides you deeper into the mystery of the dead girl and into Cass's own mind *The New York Times*

The Diviner's Chronicle Frank DuPont, 2013-12 Enlil Bani stood up from the royal palanquin and looked over the crowd his wrist discreetly shackled to the seat His head buzzed from deep sorrow weariness and lack of sleep yet he was concerned that he might be recognized by anyone he knew He also felt ashamed to have been substituted for the king destined to be hung at the end of the day as a murderer His face and scalp itched from the false wig and beard he wore designed to make him resemble the genuine king of Isin city The year is about 1860 B C E Sumeria If the soothsayers predicted that a calamity would happen to the real king it was a common practice to create a substitute king in his place By executing the substitute the gods would be fooled and the prediction would come true This day was unique because Enlil Bani is known to have survived and remained on the throne for twenty four years Called a real page turner and a total immersion in Sumerian life *The Diviner's Chronicle* is based on history and reveals a range of emotions including ambition and avarice jealousy and revenge lust and love plus loyalty and compassion **The Diviner's Handbook** Tom Graves, 1986-03 Anyone can learn to
