*The Double Hook* Sheila Watson, 2012-01-25 In spare allusive prose Sheila Watson charts the destiny of a small tightly knit community nestled in the BC Interior Here among the hills of Cariboo country men and women are caught upon the double hook of existence unaware that the flight from danger and the search for glory are both part of the same journey In Watson s compelling novel cruelty and kindness betrayal and faith shape a pattern of enduring significance **The Double Hook** Sheila Watson, 2008 In spare allusive prose Sheila Watson charts the destiny of a small tightly knit community nestled in the BC Interior Here among the hills of Cariboo country men and women are caught upon the double hook of existence unaware that the flight from danger and the search for glory are both part of the same journey In Watson s compelling novel cruelty and kindness betrayal and faith shape a pattern of enduring significance The Double Hook by Sheila Watson Alicia Fahey, 2011 *Sheila Watson and The Double Hook* George Bowering, 1985 The Double Hook Sheila Watson, 1966 *The Double Hook* Sheila Watson (Schriftstellerin), 1966 Coyote Country Arnold E. Davidson, 1994 For most North Americans Canadians as well as Americans the term Western evokes images of the frontier brave sheriffs and ruthless outlaws good cowboys and bad Indians As Arnold E Davidson shows in this groundbreaking study a number of Canada s most interesting and experimental Western writers parody reverse or otherwise defuse the paraphernalia of the classic U S Western Lacking both a real and imagined frontier Canadian settlers rode trains into the new territory already policed by Mounties the writers of Canadian Westerns were set a different task from their American counterparts and were subsequently freed to create some of the most complex and engrossing fiction yet produced in Canada Davidson details the evolution of the U S and Canadian Western forms tracing the divergence between the two as Canadian writers responded to their unique historical circumstances by reinventing the West as well as the Western and establishing a new literary landscape where author and reader could work out new possibilities of being Surveying a range of texts by Canada s most innovative writers with special attention to women writers and Native stories of Coyote he provides close readings of novels by Howard O Hagan Sheila Watson Robert Kroetsch Aritha van Herk Anne Cameron Peter Such W O Mitchell Beatrice Culleton and Thomas King A unique study *Coyote Country* offers at one and the same time a theory of Canadian Western fiction a history of crosscultural paradigms of the West as manifested in novels and an intensive reading of some of Canada s best literature A Hauntology of Sheila Watson's The Double Hook William Brubacher, 2019 This thesis consists of a study of haunting both at the textual and fictional level in Sheila Watson s *The Double Hook* In this hauntology of the novel I explore the texts and cultural archetypes that haunt Watson s novel as well as the ghosts spectral figures and haunting spaces and places represented in the novel The theoretical movement of hauntology introduced by Jacques Derrida in *Specters of Marx* is a fundamental work in contemporary studies of the tropes of the Gothic and of a more generalized haunting that threatens notions of stability in our understanding of existence Moreover the haunting figures and texts in

Watson's novel subvert the heterogenous conception of a national discourse in Canada The insights provided by scholars such as Marlene Goldman Margaret Turner and Cynthia Sugars who are concerned with what Watson's use of spectral figures in her narrative accomplishes in relation to writing the settler colonizer nation of Canada contribute to informing my argument about the place Watson's novel occupies in the Canadian collective imaginary In the first chapter of this thesis I focus on the textual hauntings in the pages of Watson's novel Indigenous myths Christian rituals conventions of the western and regional novel and modernist texts haunt the novel's structure content and the language that constitutes it In the second chapter of this thesis I direct my attention towards the haunting and haunted figures that exist in the world created by Watson In both chapters my goal is to converse with the specters I see in the novel to give a voice to what is not explicitly said and to find what lies between the fragments of Watson's experimental prose *Sheila Watson* Sheila
