The Dream Seekers:

The Dream Seekers Lee Irwin, 1996-09-01 In *The Dream Seekers* Lee Irwin demonstrates the central importance of visionary dreams as sources of empowerment and innovation in Plains Indian religion. Irwin draws on 350 visionary dreams from published and unpublished sources that span 150 years to describe the shared features of cosmology for twenty three groups of Plains Indians. This comprehensive work is not a recital but an understandable exploration of the religious world of Plains Indians. The different means of acquiring visions that are described include the spontaneous vision experience common among Plains Indian women and means such as stress illness social conflict and mourning used by both men and women to obtain visions. Irwin describes the various stages of the structured male vision quest as well as the central issues of unsuccessful or abandoned quests threshold experiences during a vision and the means by which religious empowerment is attained and transferred.

Dreamseekers Dewi Anggraeni, 2006 When the women come to recruitment agencies to work as domestic helpers overseas they begin building the foundation of their dreams of a better future. During their training following the recruitment their dreams assume colours and shapes. They leave their homeland with high hopes and aspirations. Arriving at their destinations the workers quickly realize that no amount of training can prepare them for the shock of the cold foreign world which confronts them. Those who are placed with considerate employers have generally happy working lives. Those who are placed with employers who expect ready to use service from their domestic helpers have a long and rocky road to navigate. With very little bargaining power and negotiating skills as well as social prejudice from many parts of the community these women's dreams can easily turn into nightmares. In *Dreamseekers Indonesian Women as Domestic Workers in Asia* veteran journalist Dewi Anggraeni uncovers the hidden world of domestic helpers from all points of view: the employers, the agents, the governments, the NGOs and most importantly the workers themselves. This first hand account of the struggles and successes of these women is described in vivid detail and *Dreamseekers* is a must read by anyone interested in the plight of these remarkable women.

About the Author Dewi Anggraeni a native of Jakarta is a journalist and novelist now residing in Melbourne. She is the Australia correspondent for *Tempo* and regular contributor to the *Jakarta Post*. Her works have been published in Australia, Indonesia, Hong Kong, the USA, the UK and Malaysia. Dewi has also published seven books, the latest being *Who Did This to our Bali* and a novel *Snake* 2003 Indra Publishing.
