## **The Drifting Away:**

*Drifting Away*, **Drifting Away**, **The Voyage of Drift Away** Dave Gibson,2020-02-05 This book is a sequel to The Voyage of Drift Away Stamford to Annapolis and The Voyage of Drift Away Annapolis to Savannah The first book detailed getting Drift Away in running order and stories like the terror of losing both engines off Sandy Hook as well as other amusing tales The second book is a combination of how I did it and cruising guide This book is truly more like a live aboard cruising guide but rather than detailing the trip and the marinas we stayed at as other guides do I will tell you about some of the people we met and the fun we had *The Voyage of Drift Away: Annapolis to Savannah* Dave Gibson,2018-03-06 This book is the sequel to The Voyage of Drift Away Stamford to Annapolis The first book detailed getting Drift Away in running order the terror of losing both engines off Sandy Hook and other amusing stories This book is truly more like a cruising guide but rather than detail the trip and the marinas we stayed at as other guides do I will tell you about some of the people we met and the fun we had Most of the folks were other live aboards but not all Some were passing through and others were locals A friend once described cruisers as a small town that moved up and down the coast live aboards tend to stay in one place for a long time before moving on if they move on at all That is the fun of the live aboard lifestyle If you like a place stay If you don't move on and explore the next place This book has a goodly number of photographs I love photography and I hope you do too If not perhaps you will after reading this book Sit back and enjoy the trip [The Voyage of Drift Away: Stamford to Annapolis](#) Pamela and Dave Gibson,2017-11-22 This is not a cruising guide It is not a travelogue Nor is it a how to fix an old boat book This is a live aboard lifestyle book It describes what it is truly like to live on an old boat warts and all Our adventures were made more enjoyable and sometimes more hilarious by the addition of cats and large dogs You just can't make this stuff up Our book hides nothing It will tell you of the highs and lows the good times and the bad the joy and the terror and the wonder and the boredom of living aboard It will describe the many boat projects undertaken to make Drift Away seaworthy once again It will relate the costs involved and the pitfalls we experienced If we could do it so can you

**The Church of the Future** Alonzo Willard Fortune,1890 *A Case for Mixed-audience with Reference to the Warning Passages in the Book of Hebrews* C. Adrian Thomas,2008 A Case for Mixed Audience with Reference to the Warning Passages in the Book of Hebrews discusses the nature of the warnings in Hebrews and how these warnings relate to the theological question of the eternal security of believers The main argument is that these warnings are intended to target a particular segment of the author's community about whose appropriation of and subsequent attitude toward the Christian message he was deeply concerned That is to say while the book of Hebrews is addressed as a message of encouragement to the community as a whole its warnings are aimed at a certain element in the community whose salvation is threatened by a possible dangerous course of action The book implies that while the author is persuaded that the majority in the community are genuine believers there are some about whose salvation he doubts hence the case for a mixed audience What is

threatened therefore is not a salvation already possessed but the salvation of those in danger of coming up short  
 Theologically the work falls within the sphere of the Calvinistic Arminian debate regarding the assurance of salvation and the perseverance of the saints It argues strongly for the Calvinistic position but does so within the confines of the discipline of biblical studies and lends extensive exegetical support to the Calvinistic position on the warning passages The book is highly recommended for Bible College and seminary students and professors as well as pastors and lay leaders who must give answers to their parishoners on those tough warning passages in Hebrews
