## **The Divine Imperative:**

The Divine Imperative Emil Brunner, 2002 One of the major works of the great German theologian Emil Brunner The Divine Imperative deals with what we ought to do People are unconvinced that there is an inviolable moral obligation governing human life because they do not believe that the good can be precisely and clearly known Haven't some generations called bad what others have called good Aren't moral standards relative Doesn't religion lack uniform and practical moral guidance Brunner discusses the moral confusion we face He analyses the nature of the Good showing why the Christian faith as understood by the Protestant Reformers provides the only true approach and answer to the ethical problem Philosophical ethics whether ancient or modern cannot correctly define the Good because the Good is regarded either as too abstract and absolute or as too concrete and relative Christianity by contrast sees the moral problem as one of responsibility between humans who are created so as to respond to God He created men for responsive fellowship with Him establishing orderly ways of acting in the world Correct understanding of the nature of society family state economic life is needed to discern one's duty Because Brunner's analysis is at once fundamental and comprehensive this book remains a fresh and compelling treatment of the moral problem It offers a provocative discussion and solution of a perennial human problem

The Divine Imperative Emil Brunner, 1979-09      **The Divine Imperative** Emil Brunner, 2026-01-01 What ought we to do is the guiding question of Emil Brunner's *The Divine Imperative* Here this age-old question is taken up by Brunner and is answered in light of his Reformed Christian theology Dubbed a Protestant Ethic *The Divine Imperative* is a systematic ethical treatise and for Brunner the first to be centred around the Reformed faith Here Brunner lays the groundwork for a Christian conception of the moral life in a world where morality itself is often doubted or denied Animated by the need to respond to an encroaching moral relativism where many believe that there is no true Right nor Wrong no true Good nor Evil Brunner provides an answer to the problem of ethics and morality in the modern age In doing so Brunner engages with a wide range of theoretical and practical issues from philosophy's rationalisation of morality to the crisis of marriage to the task of the Christian living under capitalism      **The Divine Imperative**, 1979      **The Divine Imperative** Emil Brunner, 1979      The Divine Imperative. 2nd Impr Regina Brunner, 1942      **The Divine Imperative. 2nd Impr** E. Holleyman, 2026-02-09 *Dialectic as Dialogue* Theology After Brunner is an examination of Emil Brunner's theological epistemology with special focus on his reception of dialogical philosophy its implications for the nature and task of theology and Brunner's contemporary significance This book helps readers better understand Brunner's theology and provides a fresh perspective on his legacy and the possibilities for his continuing influence Readers will gain insight into Brunner's most foundational developments and theological commitments In

connection with Brunner Dialectic as Dialogue also helps clarify the tradition known as dialogical philosophy and its implications as a resource for Christian theology Dialectic as Dialogue is intended for those interested in the life and thought of Emil Brunner the legacy of the dialectical theology movement and the impact of Martin Buber's dialogical philosophy in Christian theology It will also appeal to readers with broader interests in modern philosophies of religion epistemology theological reasoning and constructive claims regarding the nature and task of theology Modern Protestantism and Positive Law Bradley Shingleton, 2019-10-31 The nature and role of positive law has largely been neglected in recent Protestant theology and social ethics Modern Protestantism and Positive Law introduces and critically summarizes a tradition in Continental Protestant thought about human law drawing on writings of Barth Brunner Ellul Thieliicke Wolf Pannenberg Huber and Kre many of which have not been translated into English The book argues that law is an essential political and social institution within developed societies one that is normative and dependent on an encompassing vision of justice but that also necessarily reflects the contemporary pluralism of those societies Modern Protestantism and Positive Law argues that theological and ethical perspectives on positive law developed by Protestant thinkers have a place in reflection on positive law provided they are conceived and expressed in a manner appropriately respectful of the diversity of contemporary opinion regarding the expression of religious perspectives in the public arena **Volume 10, Tome I: Kierkegaard's Influence on Theology** Jon Stewart, 2016-12-05 Kierkegaard has always enjoyed a rich reception in the fields of theology and religious studies This reception might seem obvious given that he is one of the most important Christian writers of the nineteenth century but Kierkegaard was by no means a straightforward theologian in any traditional sense He had no enduring interest in some of the main fields of theology such as church history or biblical studies and he was strikingly silent on many key Christian dogmas Moreover he harbored a degree of animosity towards the university theologians and churchmen of his own day Despite this he has been a source of inspiration for numerous religious writers from different denominations and traditions Tome I is dedicated to the reception of Kierkegaard among German Protestant theologians and religious thinkers The writings of some of these figures turned out to be instrumental for Kierkegaard's breakthrough internationally shortly after the turn of the twentieth century Leading figures of the movement of dialectical theology such as Karl Barth Emil Brunner Paul Tillich and Rudolf Bultmann spawned a steadily growing awareness of and interest in Kierkegaard's thought among generations of German theology students Emanuel Hirsch was greatly influenced by Kierkegaard and proved instrumental in disseminating his thought by producing the first complete German edition of Kierkegaard's published works Both Barth and Hirsch established unique ways of reading and appropriating Kierkegaard which to a certain degree determined the direction and course of Kierkegaard studies right up to our own times Walter Mostert's Thought on Justification Nicola Mariani, 2026-01-30 The study analyzes four macro areas of Walter Mostert's theology of justification in dialogue with alternative approaches as a source of relevant theological insights Mostert avoids

both subjectivism and objectivism understanding theology as the soteriological answer to sin as the usurpation of God's salvific prerogative Justification is God's saving act received in faith as one's being in Christ It establishes an anthropology in which the human being is defined not by personal deeds but by the gifted Gospel Justification is thus distinct from ideological thinking and its theory praxis model It founds the Church and serves as the basis for ecumenical consensus Despite certain one-sided aspects Mostert's theology allows for a clear articulation of the Gospel Walter Mosterts Gedanken zur Rechtfertigung Argumente für eine neue Perspektive in der christlichen Theologie Die Studie analysiert vier Makrobereiche von Walter Mosterts Rechtfertigungstheologie im Dialog mit alternativen Ansätzen als Quelle aktueller theologischer Impulse Mostert meidet Subjektivismus und Objektivismus und versteht Theologie als die soteriologische Antwort auf die Sünde als Annahmung des göttlichen Heilsprerogativs Rechtfertigung ist Gottes Heilshandeln das im Glauben als Sein in Christus empfangen wird Sie begründet eine Anthropologie in der der Mensch durch das geschenkte Evangelium nicht durch das eigene Tun bestimmt ist Rechtfertigung unterscheidet sich daher vom Theorie Praxis Modell ideologischen Denkens Sie gründet die Kirche und ist die Basis für ökumenischen Konsens Trotz aller Einseitigkeit ermöglicht Mosterts Theologie eine klare Profilierung des Evangeliums **"In the Face of Barbarism"** Dallas Gingles, Michael DeJonge, 2025-10-16 Demonstrates and interrogates Bonhoeffer's focus on and contribution to the ethics of everyday life **The Shape of the Past** John Warwick Montgomery, 2008-02-05 Dr Montgomery contends that no one can sit in a house by the side of the road and watch the world go by Everyone is caught up in the flux of human life and there is no naturalistic resting place within human history from which one can gain a universal absolute perspective on man's life Christianity is the only answer to this basic human predicament for it claims and by the resurrection backs up its claim that there is a God and that He entered human history and revealed its essential nature **In Pursuit of Perfection** A.
