The Dna Of Relationships:

The DNA of Relationships Gary Smalley, Greg Smalley, Michael Smalley, Robert S. Paul, 2013-04-22 Do you feel like you're repeating the same mistakes in your relationships? Life is relationships; the rest is just details. We are designed for relationships, yet they often bring us pain. In this paradigm-shifting book, Dr. Gary Smalley unravels the DNA of healthy relationships. We are made for three great relationships: with God, others, and ourselves, and all relationships involve choice. Gary exposes a destructive relationship dance that characterizes nearly every relationship conflict and offers five new dance steps that will revolutionize relationships. *The DNA of Relationships* is the cornerstone book in Gary Smalley's relationship campaign. It will help you learn to take personal responsibility for your own emotions and actions, create a safe environment, and become trustworthy. Keep your battery charged through self-care. Listen with the heart so others feel understood. Adopt a no-losers policy in conflict. With practical biblical advice, this book will revolutionize your marriage, family, friendships, and work relationships.

DNA of Relationships Workbook Michael Smalley, 2018-02-15 After years of research, the DNA of Relationships is the most fundamentally important discovery we've made on achieving the relationships of your dreams. In this series, relationship experts Dr. Gary Smalley and his son Dr. Michael Smalley show how we are designed for three satisfying relationships: with God, others, and ourselves. It is part of our relational DNA. When our relationships are weak, we suffer in many ways: health, addictions, and life fulfillment. Gary and Michael will show you how to control all of your own emotions, lower your stress, become a magnet for others to genuinely love you, join others on a loving team, and end angry arguments. This workbook goes along with the DNA of Relationships DVD series by Smalley Institute.
