**Rottweilers - Dog Books for Kids** K. Bennett,John Davidson,2015-09-06 Rottweilers Dog Books for Kids Table of Contents Introduction Chapter 1 Early History Chapter 2 Fascinating Features Care Chapter 3 Amazing Rottweiler facts Conclusion A Family s best friend Author Bio Introduction No matter how little money and how few possessions you own having a dog makes you rich Louis Sabin Rottweilers are powerful dogs from a long history of domestic dogs also known as butchers dogs Strong courageous and intelligent Rottweilers are versatile and faithful dogs They have outstanding characteristics and are devoted to their family Butchers dogs were used to herd livestock in Germany Do you know why the name butcher was used The carts were full of butchered meat and other products to sell So when the dogs

pulled the carts they were called butchers dogs Today Rottweilers are found not only at home but also in law enforcement They form a part of search and rescue teams and help the blind as guide dogs This ability extends to work as police dogs and guard dogs The AKC standard defines Rottweilers as calm and confident They also note a self assured aloofness that does not lend itself to immediate and indiscriminate friendships This statement helps us to understand the level of socialization required for a Rottweiler It also helps us to learn how much training is needed for a friendlier more outgoing pet Rottweilers are excellent watchdogs and guardians Their alert and protective nature can serve to protect both you and your family from strangers However like other dog breeds this aspect of their personality may not appeal to you if you are looking for a more guest friendly dog This breed has a high energy level and strong territorial instincts which are other aspects to consider A slow lifestyle is not ideal as they have a tendency to get a bit overweight For this reason they require daily exercise and space to expend that energy Mental exercise is another very important factor to take into account Despite their strong personality and characteristics Rottweilers are highly recommended as guardians and protectors With proper training and firm attention Rottweilers make an excellent addition to the list of man s best friend
